Galatians New Testament Library

Galatians - Martinus C. de Boer 2011 This new commentary in the New Testament Library series is not a systematic study of Pauline theology; rather, the aim of this study is to trace Paul's theology as it unfolds in his letter to the church at Galatia, and to attempt to illuminate, as far as possible, how the Galatians likely comprehended it, at the time they received it. The author asks readers to imagine themselves as silent witnesses to Paul's dictation of the letter and to observe, through a historical perspective, how the Galatian Christians might have understood Paul's words.

Ephesians - Stephen E. Fowl 2012 "Stephen Fowl's rich volume on this rich letter displays his careful reading of the text that yields a truly theological commentary." --Michael J. Gorman, Raymond E. Brown Chair in Biblical Studies and Theology, St. Mary's Seminary and University "Stephen Fowl brings his considerable gifts in theological interpretation to the profound theological message of the Letter to the Ephesians. The result is a refreshingly irenic commentary that reflects a thorough knowledge of the critical discussions while eschewing lengthy debate." --Andrew T. Lincoln, Portland Professor of New Testament, University of Gloucestershire "Reading Stephen Fowl's work is always a wonderful experience. His prose is tight and clear, his thinking fresh, and his commentary on Scripture always targets the sacred text and what it may teach the church about its relationship with God and one another." --Robert W. Wall, Paul T. Walls Professor of Scripture and Wesleyan Studies, Seattle Pacific University Even though it was written some two millennia ago, Ephesians still speaks to Christians today in themes quite familiar to the modern reader. In a context where the church had become overwhelmingly, if not exclusively, Gentile, the Christian community needed to be reminded of the priority of Israel and the astonishing work of reconciliation that God willed to accomplish in the life, death, and resurrection of Jesus Christ. Now available as a casebound, this volume in the highly acclaimed New Testament Library series reveals the great theological promises of Ephesians while discussing issues of context, authorship, and style.

Galatians - John MacArthur 1987 These commentaries, part of a set from noted Bible scholar, John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The
Galatians New Testament Commentaries are invaluable tools for Bible students of all ages. This work on Galatians is part of a New Testament commentary series which has as its objective explaining and applying Scripture, focusing on the major doctrines and how they relate to the whole of the Bible. This New Testament commentary series reflects the objective of explaining and applying Scripture, focusing on the major doctrines and how they relate to the whole of Scripture. This volume is a study of the Book of Galatians.

**Colossians**-Jerry L. Sumney 2008 The New Testament Library offers authoritative commentary of every book and major aspect of the New Testament, providing fresh translations based on the best available ancient manuscripts, critical portrayals of the historical world in which the books were created, careful attention to their literary design, and a theologically perceptive exposition of the biblical text. C. Clifton Black, M. Eugene Boring, and John T. Carroll are series editors. The letter to the Colossians offers great insight into the faith, life, and problems of an early Christian church. Understanding this letter to be one of Paul's prison epistles but aware of the differences between this and his other writings, Jerry Sumney shows how the church struggled with expressing its new faith in the diverse settings of the Greco-Roman world. Paying special attention to the ways of forgiveness and salvation through the power of Christ, this fine commentary offers compelling new insights into Colossians expansive Christology and expectant eschatology.

**Galatians**-G. Walter Hansen 1994 G. Walter Hansen's study on Galatians is part of the IVP New Testament Commentary Series, a series which combines pastoral concerns with attention to tough exegetical issues and emphasizes the significance of the biblical text for today's church.

**Paul and the Anatomy of Apostolic Authority**-John Howard Schütz 2007-01-01 John Howard Schutz's milestone analysis of Paul's authority shaped a generation of thought about Paul. This insightful work continues to be relevant to Pauline scholarship. The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament, as well as classic volumes of scholarship. The commentaries in this series provide fresh translations based on the best available ancient manuscripts, offer critical portrayals of the historical world in which the books were created, pay careful attention to their literary design, and present a theologically perceptive exposition of the text.

**Galatians MacArthur New Testament Commentary**-John F. MacArthur 1987-11-08 These commentaries part of a set from noted Bible scholar, John MacArthur, take readers on a journey through biblical texts to discover what lies beneath the surface, focusing on
meaning and context, and then reflecting on the explored passage or concept. With probing questions that guide the reader toward application, as well as ample space for journaling, The MacArthur New Testament Commentaries are invaluable tools for Bible students of all ages. This work on Galatians is part of a New Testament commentary series which has as its objective explaining and applying Scripture, focusing on the major doctrines and how they relate to the whole of the Bible. This New Testament commentary series reflects the objective of explaining and applying Scripture, focusing on the major doctrines and how they relate to the whole of Scripture. This volume is a study of the Book of Galatians.

**Galatians**-James Louis Martyn 1997 As the early church took shape in the mid-first century a.d., a theological struggle of great consequence was joined between the apostle Paul and certain theologians who had intruded into the churches founded by the apostle in Galatia. Writing his letter to the Galatians in the midst of that struggle, Paul was concerned to find a way by which he could assert the radical newness of God’s act in Christ while still affirming the positive relation of that act to the solemn promise God had made centuries earlier to Abraham. With the skill of a seasoned scholar and teacher, J. Louis Martyn enables us to take imaginary seats in the Galatian churches so that we may hear Paul’s words with the ears of the early Christians themselves. Listening in this manner, we begin to sense the dramatic intensity of the theological struggle, thus coming to understand the crucial distinctions between the theology of Paul and that of his opponents. We can therefore see why Galatians proved to be a momentous turning point in early Christianity: In this letter Paul preached the decisive and liberating newness of Christ while avoiding both the distortions of anti-Judaism and his opponents’ reduction of Christ to a mere episode in the epic of Israel’s history. Like the Galatians of Paul’s day, we can begin to hear what the apostle himself called “the truth of the gospel.”

**Philippians and Philemon**-Charles B. Cousar 2013-03-01 Paul's letter to the church at Philippi is a moving insight into early Christianity. No letter displays Paul's fondness for a church as much as Philippians, and this passion is accompanied by a profound sense of thanksgiving for the church and its generosity. In this letter, Paul reminds the church of the first day they heard the gospel, the present persecution that they experience in their imperial context, and their true reality as citizens of heaven. Jesus Christ grounds this eschatological framework as the one whom God has lifted up. But in Philippi Paul also faced opponents, and the interpretation of the letter requires that the reader understand these people whose vision of Jesus was other than Paul’s. The short letter to Philemon tells the story of a Christian slave named Onesimus. Through this appeal on Onesimus's behalf, Paul illustrates how the moral vision of social hierarchies, such as the one between slave owner and slave, are dismantled in Christ. He calls Philemon and Onesimus into a reconciliation that points to their shared participation in Christ. Together, these two letters show Paul’s vital passion for the church and the bonds that held early Christians together in their faith. The New Testament Library offers authoritative commentary on every book
and major aspect of the New Testament, as well as classic volumes of scholarship. The commentaries in this series provide fresh translations based on the best available ancient manuscripts, offer critical portrayals of the historical world in which the books were created, pay careful attention to their literary design, and present a theologically perceptive exposition of the text.

Galatians (Baker Exegetical Commentary on the New Testament)-Douglas J. Moo 2013-11-15 In this addition to the award-winning BECNT series, highly regarded New Testament scholar Douglas Moo offers a substantive yet accessible commentary on Galatians. With extensive research and thoughtful chapter-by-chapter exegesis, Moo leads readers through all aspects of the book of Galatians--sociological, historical, and theological--to help them better understand its meaning and relevance. As with all BECNT volumes, this commentary features the author's detailed interaction with the Greek text and an acclaimed, user-friendly design. It admirably achieves the dual aims of the series--academic sophistication with pastoral sensitivity and accessibility--making it a useful tool for pastors, church leaders, students, and teachers.

Galatians (Paideia: Commentaries on the New Testament)-Peter Oakes 2015-04-14 In this volume, respected New Testament scholar Peter Oakes offers a translation and reading of Galatians as presenting a gospel of unity in diversity in Christ. He shows that Paul treats the Galatians' possible abandonment of his gospel as putting at stake their fidelity to Christ. As with other volumes in the Paideia series, this volume is conversant with contemporary scholarship, draws on ancient backgrounds, and attends to the theological nature of the text. Students, pastors, and other readers will appreciate the historical, literary, and theological insight offered in this practical commentary.

The Letter to the Galatians-David A. deSilva 2018-09-18 New volume in a favorite Bible commentary series Writing a commentary on Galatians is a daunting task. Despite its relative brevity, this Pauline letter raises a number of foundational theological issues, and it has played a vital role in shaping Christian thought and practice over the centuries. In this replacement of Ronald Y. K. Fung’s 1988 New International Commentary volume, David deSilva ably rises to the challenge, providing a coherent account of Galatians as a piece of strategically crafted communication that addresses both the immediate pastoral challenges facing Paul’s converts in Galatia and the underlying questions that gave rise to them. Paying careful attention to the history, philology, and theology of the letter, and interacting with a wealth of secondary literature on both Galatians and the rest of the Pauline corpus, deSilva’s exegetically sound commentary will serve as an essential resource for pastors and theological students.
Galatians

- Martinus Christianus Boer 2011

Galatians - Scot McKnight 2009-05-26 Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretative task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible meant but also how it can speak powerfully today.

Crucifixion and New Creation - Jeff Hubing 2015-04-23 This book provides an interpretation of Galatians 6:11-17 which yields significant insights about Paul's perception of the crisis in Galatia, and the solution he presents to his readers in light of it. In the first section of the book, the epistolary form and function of Galatians 6:11-17 are analysed. Revealed as a body-closing, it works to sharpen and complete Paul's message by spelling out his motivation for writing and establishing the basis for further communication with his readers. The theme of persecution in the letter is then seen rendered both explicitly and implicitly through the examination of pertinent passages. These indicate that all parties involved share some connection to persecution. Finally, an exegetical analysis of Galatians 6:11-17 reveals Paul's claim that the agitators' primary motive is to avoid persecution 'because of the cross of Christ.' He contrasts them with himself by 'boasting' in that same cross. The net effect is that Paul draws on both the redemptive moment of Jesus' death, and the ongoing cross-shaped life he lives, to validate his apostleship.

Commentary on Galatians - Martin Luther 2007-12-01

Reading Galatians in First-Century Context - Panayotis Coutsoumpos 2019-06-18 The apostle Paul wrote the epistle to the Galatians. By far, Galatians is one of the most controversial letters among the Pauline writings. Galatians appears to have been written in
instantaneous response to what Paul observed as an urgent crisis among the Galatian churches. For Galatians provides us with more personal and autobiographical information than any other letters of the apostle Paul. When all the information and the teaching is integrated with the teaching of the letter itself, it helps us to build up a strong picture of Paul the missionary and theologian, and also allows us to situate the letter to Galatia itself within both his life and his theology. To the Galatians, however; Paul had preached Christ crucified and response of faith had resulted in rich and powerful experience of the Spirit. Paul’s recollection also gives valuable information regarding those to whom the letter was addressed and about their admission into Christian faith.

**Galatians, Ephesians**-Gerald L. Bray 2012-10-04 In this first volume of the Reformation Commentary on Scripture, you will encounter the reformers’ fervor for the gospel of justification by faith as they retrieve it from these two letters of Paul. Spanning Latin, German, French, Dutch and English authors from a variety of streams within the Protestant movement, this commentary speaks with singular passion to a diverse contemporary church.

**The Theology of Paul's Letter to the Galatians**-James D. G. Dunn 1993-09-09 A thorough and attractively written analysis of the issues in one of the most important of early Christian documents.

**The Books of Galatians and Ephesians**-John Witmer 2009-06-10 In Galatians and Ephesians, Couch and Witmer help the reader discover both the heart of the apostle Paul and the heart of the New Testament gospel. In both epistles, the reader is enveloped in the truth that salvation is by Christ alone, through grace alone, by faith alone.

**Adoption in Galatians and Romans**-Erin M. Heim 2017-03-13 In a new study on the Pauline adoption metaphors, Erin Heim applies a wide array of contemporary theories of metaphor in a fresh exegesis of the four instances of adoption (huiothesia) metaphors in Galatians and Romans.

**Galatians**-N. T. Wright 2011-08-30 With a scholar’s mind and a pastor’s heart, N. T. Wright guides us through the New Testament, moving us from the world in which it was lived into the world in which we must live it again. Includes twenty-two sessions for group or personal study.
The Text of Galatians and Its History - Stephen C. Carlson 2015-03-10 Based on the author's doctoral dissertation. This volume investigates the text of Paul's Epistle to the Galatians and its history, how it changed over time. This work performs a stemmatic analysis of 92 witnesses to the text of Galatians, using cladistic methods developed by computational biologists, to construct an unoriented stemma of the textual tradition. The stemma is then oriented based on the internal evidence of textual variants.

The Unity of Male and Female in Jesus Christ - Gesila Nneka Uzukwu 2015-11-19 This detailed exegetical study of Gal 3.28c in the light of 3.14-29 and 4.21-31 shows not only how integral this verse is to chapters 3 and 4 of the letter, but also that it is the key to understanding Paul's theological argument of promise in Galatians. Paul's use of the story of Abraham in 3.14-29 and of Sarah in 4.21-31 in light of God's promise to the patriarch and the matriarch in Genesis 17 have implications displays the joint role of Abraham and Sarah in bringing about the promise, and underscores the unity of the believers in Christ. In light of this, Uzukwu examines important aspects of the history of the interpretation of Gal 3.28c. Uzukwu sheds light on the link between Gal 3:28 and the three expressions of gratitude found in Greek writings. Links are also revealed to the three blessings of gratitude that appear at the beginning of the Jewish cycle of morning prayers, Gen 1.27c (in the Septuagint), and the alleged pre-Pauline baptismal formula. She goes further to demonstrate how 3.28c is related to the unity of Galatians 3-4, focusing on the theme of the promise as the text discusses the effect of the Christ event in bringing about the fulfillment of that promise.

The Faithfulness of Jesus the Messiah - Walter D. Zorn 2020-10-26 Strange how one little word, the Greek word pistis, can make a profound difference in understanding the Bible. Pistis is usually translated "faith," but in different contexts of the New Testament the word can have several other meanings such as "faithfulness," "trustworthiness," "solemn promise or oath," "proof or pledge," "conviction," and "doctrine (of the Christian faith)." This book will challenge the reader's understanding of Paul's expression pistis Christou, "faith/faithfulness of Christ," and the use of the pistis word group (verb, noun, and adjective) throughout the New Testament. Given the Old Testament background to this word, one will learn how the apostle Paul utilized an obscure phrase from the prophet Habakkuk to refer to a coming Messiah who in turn lived in faithfulness to the Father's will to die on a cross for the sins of the world. This book will reveal how the gospel is emphasized throughout the New Testament in terms of "the faithfulness of Jesus the Messiah." New and fresh interpretations of various texts will challenge the traditional understandings of such texts. When a person comprehends pistis as God's faithfulness and the Messiah's faithfulness, the only human response is pistis itself, meaning faithfulness as described in Hebrews 11. God is faithful and Jesus is faithful. Will he find us faithful?
As It Was in the Beginning - Mark D Owens 2016-05-26 The meaning of Paul's comments about the new creation in 2 Corinthians 5:17 and Galatians 6:15 has long been obscured. Debate has raged for years, with some arguing that the phrase new creation solely refers to the inward transformation believers have experienced through faith in Jesus Christ, and others that this phrase should be understood cosmologically and linked with Isaiah's new heavens and new earth. Still more advocate an ecclesiological interpretation of this phrase that centres Paul in the new community formed around Jesus Christ. In As It Was in the Beginning, Mark Owens argues that the concept of new creation should be understood within the realm of Paul's anthropology, cosmology, and ecclesiology. Paul's understanding of new creation belongs within an Urzeit-Endzeit typological framework, especially within 2 Corinthians 5-6 and Ephesians 1-2. Owens's reading of new creation gives due weight to the use of Isaianic traditions in Paul's letters, and to demonstrate that the vision of new creation in 2 Corinthians and Galatians is in striking harmony with that of Ephesians.

The Epistle of St. Paul to the Galatians - Joseph Barber Lightfoot 1892

Paul and the Gentile Problem - Matthew Thiessen 2016-03-01 Paul and the Gentile Problem provides a new explanation for the apostle Paul's statements about the Jewish law in his letters to the Romans and Galatians. Paul's arguments against circumcision and the law in Romans 2 and his reading of Genesis 15-21 in Galatians 4:21-31 belong within a stream of Jewish thinking which rejected the possibility that gentiles could undergo circumcision and adopt the Jewish law, thereby becoming Jews. Paul opposes this solution to the gentile problem because he thinks it misunderstands how essentially hopeless the gentile situation remains outside of Christ. The second part of the book moves from Paul's arguments against a gospel that requires gentiles to undergo circumcision and adoption of the Jewish law to his own positive account, based on his reading of the Abraham Narrative, of the way in which Israel's God relates to gentiles. Having received the Spirit (pneuma) of Christ, gentiles are incorporated into Christ, who is the singular seed of Abraham, and, therefore, become materially related to Abraham. But this solution raises a question: Why is it so important for Paul that gentiles become seed of Abraham? The argument of this book is that Paul believes that God had made certain promises to Abraham that only those who are his seed could enjoy and that these promises can be summarized as being empowered to live a moral life, inheriting the cosmos, and having the hope of an indestructible life.

Paul and the Gift - John M. G. Barclay 2017-09-11 John Barclay explores Pauline theology anew from the perspective of grace. Arguing that Paul's theology of grace is best approached in light of ancient notions of "gift," Barclay describes Paul's relationship to Judaism in a fresh way. Barclay focuses on divine gift-giving, which for Paul, he says, is focused and fulfilled in the gift of Christ. He both offers a new
appraisal of Paul's theology of the Christ-event as gift as it comes to expression in Galatians and Romans and presents a nuanced and detailed consideration of the history of reception of Paul, including Augustine, Luther, Calvin, and Barth.

**The Unrelenting God** - David J. Downs 2013-11-30 Is God still, as it has been argued, the "neglected factor" in New Testament theology? How does the Bible speak imaginatively and concretely about who God is and what God's activity on behalf of the world looks like? In The Unrelenting God sixteen accomplished scholars in the fields of biblical and theological studies explore ways in which Scripture speaks about God's character and God's activity in the world. As honoree Beverly Roberts Gaventa has done throughout her career, the contributors address important and nuanced theological themes such as God's dramatic invasion of the world in the gospel of Jesus Christ, God's ultimate triumph over the powers of sin and death, and humanity's ongoing participation with God in Christ. Scholars, students, and church leaders will appreciate this volume's careful theological interpretation of whole scriptural books and individual passages -- and its ability to model instructively how that interpretation is best done. Contributors: Shane Berg Martinus C. de Boer Alexandra R. Brown William Sanger Campbell David J. Downs Susan Grove Eastman Joel B. Green Douglas Harink Richard B. Hays L. Ann Jervis Jacqueline E. Lapsley J. Louis Martyn John B. F. Miller Matthew L. Skinner Katherine Sonderegger Francis Watson Michael Welker

**The Message of Galatians** - John Stott 2014-05-02 To enclaves of young converts tucked away in the mountains of Asia Minor, Paul wrote what is perhaps the oldest document in the New Testament--the letter to the Galatians. What problems were they facing? Among a variety of religious authorities espousing different teachings, how were they to know who was right? How were men and women to be put right with God? How could Christians in the midst of a pagan culture live lives truly pleasing to God? 'Only one way--' ansered Paul, 'through Jesus Christ.' His answer holds true for us as well. The details of our struggle have changed since Paul's day, but the principles he sets forth are as timeless as the Lord he exalts. In this book John Stott help us to understand and apply the message of Galatians in the face of contemporary challenges to our faith.

**Anatomy of the New Testament, 8th Edition** - C. Clifton Black 2019-05-28 Now in its 8th edition, Anatomy of the New Testament is one of the most trust-worthy and enduring introductory textbooks of its kind. Its authors bring literary and historical approaches to the
New Testament together, offering a comprehensive and accessible approach that appeals to students at all levels. Visually appealing and well-designed this compact edition has been designed for today's student, and is illustrated with engaging images, refreshed maps, and updated bibliographies that make the textbook enjoyable to read and easy to teach. The stand-out pedagogical features have been updated as well, updated for new advances in biblical scholarship and the needs of today's student: Have You Learned it? Offering questions for analysis and reflection; What Do They Mean? Presenting definitions for key terms to enhance student comprehension and critical thinking.

**Galatians** Jarvis J. Williams 2020-03-16 Jarvis Williams’ commentary on Galatians is a commentary of one of Paul’s most rhetorically charged and polemically sharp letters. Williams writes a commentary of the letter, not a commentary of commentaries. He grounds the letter in grammatical-historical exegesis, seeking to help readers understand Paul’s Greco-Roman and Second Temple Jewish context of the letter. Additionally, the book seeks to move from exegesis to application in a few places in the commentary. The strength of the commentary is that it offers a lucid and concise exegesis grounded in Paul’s first century context and applicable for twenty-first century readers.

**Theology and Practice in Early Christianity** Troy W. Martin 2020-08-12 Early Christianity did not originate in a vacuum but in a world of linguistic, social, religious, and cultural richness and diversity. The twenty-two seminal essays in this volume - some previously published, some newly written - represent almost three decades of research by Troy W. Martin to understand how early Christianity developed in the ancient world. The broad-ranging investigations in these essays give attention not only to the linguistic and rhetorical features of early Christian texts, but also to the social, philosophical, physiological, and medical contexts in which these texts were written. The essays provide new understandings of early Christian conceptions of salvation and of the virtues of faith, hope and love that
characterized early Christian communities. They include new medical and physiological explanations of early Christian sacraments, pneumatology, and eschatology and furthermore investigate early Christian communal life and practice, including the veiling of women, male/female relationships, and time-keeping. The essays include reception histories that describe their influence on subsequent research and place them within the context of contemporary research and scholarship. Those familiar with the well-trodden ground of New Testament studies will find in these essays new insights and previously unexplored comparative material for understanding early Christianity and the world in which it originated.

**Galatians**-Jarvis J. Williams 2020-03-16 Jarvis Williams' commentary on Galatians is a commentary of one of Paul's most rhetorically charged and polemically sharp letters. Williams writes a commentary of the letter, not a commentary of commentaries. He grounds the letter in grammatical-historical exegesis, seeking to help readers understand Paul's Greco-Roman and Second Temple Jewish context of the letter. Additionally, the book seeks to move from exegesis to application in a few places in the commentary. The strength of the commentary is that it offers a lucid and concise exegesis grounded in Paul's first century context and applicable for twenty-first century readers.

**The Epistle to the Galatians**-James D. G. Dunn 2011-04-01 Black's New Testament Commentary has been hailed by both scholars and pastors for its insightful interpretations and reliable commentary. Each book in the series includes an insightful introduction to the important historical, literary, and theological issues; key terms and phrases from the translation highlighted in the commentary where they are discussed; explanations of special Greek or foreign terms; references to important primary and secondary literature; and a Scripture index. Paul's letter to the Galatians may be the boldest exposition of the gospel and one of the best examples that Paul's theology first and foremost emerged within the framework of a living community. Dunn's sensitivity to the letter's larger flow of thought and his adept hand at guiding us through the sometimes murky waters of Paul's thought combine to make this commentary refreshingly accessible and eminently serviceable. With a penetrating but never pedantic analysis, Dunn opens Paul's letter to the troubled believers in Galatia with a skill that comes only with knowing the subject exceedingly well.

**Commentary on Galatians**-Martin Luther 1979 Classic commentaries on a variety of themes by one of the world's greatest expositors.
