First Love Stories From Isis And Osiris To Tristan And Iseult

The First Love Stories-Diane Wolkstein 1992 Passion, joy, and longing abound in seven original classic love stories, newly retold by a master storyteller. Wolkstein has vividly re-created unforgettable myths of love, published together in a single collection for the first time. Includes "Inanna and Dumuzi", "Shiva and Sati", "The Song of Songs", "Psyche and Eros", and more.

The First Love Story-Bruce Feiler 2018 Since antiquity, one story has stood at the center of every conversation about men and women. One couple has been the battleground for human relationships and sexual identity. That couple is Adam and Eve. Yet instead of celebrating them, history has blamed them for bringing sin, deceit, and death into the world. In this fresh retelling of their story, New York Times columnist and PBS host Bruce Feiler travels from the Garden of Eden in Iraq to the Sistine Chapel in Rome, from John Milton's London to Mae West's Hollywood, discovering how Adam and Eve should be hailed as exemplars of a long-term, healthy, resilient relationship.
At a time of discord and fear over the strength of our social fabric, Feiler shows how history's first couple can again be role models for unity, forgiveness, and love. Containing all the humor, insight, and wisdom that have endeared Bruce Feiler to readers around the world, The First Love Story is an unforgettable journey that restores Adam and Eve to their rightful place as central figures in our culture's imagination and reminds us that even our most familiar stories still have the ability to surprise, inspire, and guide us today.

The Great Goddesses of Egypt - Barbara S. Lesko 1999 The book presents in depth histories of the cults of seven major goddesses and many excerpts from their literature--hymns, prayers, and magical spells as well as descriptions of ritual, temples and clergy.

Egyptian Mythology: Explore The Mysterious Ancient Civilisation of Egypt, The Myths, Legends, History, Gods, Goddesses & More That Have Fascinated Mankind For Centuries - Sofia Visconti Drama, death, glory and love flowed through the blood of the Egyptians under the watchful eyes of their Gods & Goddesses... Ancient Egypt was one of the greatest & most powerful civilizations in the world ever And of all ancient civilizations, Egyptians rule supreme when it comes to mystery and fantasy...From the lavish colors of their papyruses to how they mastered building technology thousands of years before anyone else, and to the legends surrounding the lives and deaths of their...
kings. Egyptians are an eternal source of awe. Not only did they know how to build great structures, they also knew how to have fun. They loved beer and board games, they used makeup, and they allowed women more freedom than many other women in the ancient world. You see, Game of Thrones has nothing on the intricacies, wars, and battles Egyptian dynasties fought for thousands of years. Ancient Egypt has it all: drama, love stories, myths, massive buildings, death, destruction and pain. Let’s listen to them and explore their timeless stories! All of this and much more including: The Timeline Of Ancient Egypt: The Rise & The Fall Discover The Gods & Goddesses of Ancient Egypt + Their Classic Stories The Mystery & Miracle of How The Pyramids Were Built (was it aliens? or astronomy?) Cleopatra's Legacy: The Most Famous Pharaoh & Femme Fatale The Afterlife, Burials, Tombs & How An Ancient Egyptian Mummy Was Made Isis & Osiris: The Greatest Love Story of All Time The Mummy Curse - What Killed People Who Opened King Tut’s Tomb? Decoding The Secrets Of Egyptian Hieroglyphs Interesting Facts About Egyptian Culture: Art, Music, & Literature Ra, The Sun God of Ancient Egypt: Facts, Symbol & Powers - And much, much more... This book will fuel your appetite for all the amazing (and perhaps frightening) things Ancient Egyptians were and did. Begin your journey of discovering not only Ancient Egypt but also it’s legends, mythology and much more with this book.

Swoon: Great Seducers and Why Women Love Them-
Elizabeth Stevens Prioleau 2013-02-04 Contrary to popular
myth and dogma, the men who consistently beguile women belie the familiar stereotypes: satanic rake, alpha stud, slick player, Mr. Nice, or big-money mogul. As Betsy Prioleau, author of, points out in this surprising, insightful study, legendary ladies’ men are a different, complex species altogether, often without looks or money. They fit no known template and possess a cache of powerful erotic secrets.

Cupid's Arrow-Robert J. Sternberg 1998 In this absorbing book, renowned psychologist Robert J. Sternberg presents a psychological approach to human relationships that reveals how and why people fall in and out of love. Fascinating reading for anyone who wants to learn more about love, Cupid's Arrow draws on fields ranging from history to cognitive science to folklore, offering a comprehensive account of love in its many forms. Grounded in Sternberg's own 'triangular theory', the book explores the many varieties of love as diffe

Healing with Art and Soul-Kathy Luethje 2008-12-18 This fascinating collection of essays contains a variety of perspectives about the use of expressive arts for facilitating physical and emotional healing. Each author within brings a fresh approach and unique experiences to their writing. Within these pages, you will find many ideas for the use of the arts and can learn how to engage the inner layers of the self that allow natural healing processes of the body and soul to flourish. When we fully engage an art modality, we find ourselves in a place in our consciousness that could be
called 'healingspace,' where we feel ourselves whole and remember ourselves as well. From psychic trauma to physical illness, dis-ease of many kinds may be addressed through the various techniques discussed here. The tools offered by some authors are population specific and age appropriate, while several authors have given us the philosophical underpinnings for it all. While the authors within represent the grassroots voices of this new and rapidly expanding field, several of them have developed their own methods for using the arts, and have thriving practices. Our approach is wholistic. Music, visual arts, movement, dance, and poetry are discussed as separate modalities and in combination with one another in a process or flow. The reader will engage in our experiences with these modalities as they have been lived. The complementary CD that accompanies this book will allow the listener to have a full sound experience of toning. If a rationale is needed for establishing arts programs in medical centers or other health facilities, it can be found here. The book offers tools for self development and for group facilitation. Those wanting to expand their healing practice through the use of the arts will find the book to be a faithful guide. Anyone wishing for a fuller understanding of how the arts may work to facilitate healing will find much food for thought within these pages.

The Goddess Pages—Laurie Sue Brockway 2008 “This book will serve to inspire millions . . . and balance masculine and feminine for a more healthy and rewarding existence on earth!”—Shelley Ackerman, astrologer and founder of First Love Stories From Isis And Osiris To Tristan And Iseult

5/23 [PDF]
Karmic Relief Every woman could use some Goddess wisdom in her life. Evoke their unique energies and strengths through rituals, meditations, gatherings, prayers, blessings, and many more fun and creative activities. • Celebrate your true beauty with Hathor • Unleash your dark and wild side with Lilith • Free yourself from unhealthy relationships with Persephone • Take aim at your career goals with Artemis • Own and explore your sensuality with Oshun The Goddess Pages, a unique and empowering book of goddesses, helps you connect with the strength and beauty of the Goddess—and experience the divine within you.

Love Me Never-Sara Wolf 2016-04-05 Read the book that Kirkus Review called: "A complex, witty page-turner, ideal for YA fans of scandal and romance." Seventeen-year-old Isis Blake hasn’t fallen in love in three years, nine weeks, and five days, and after what happened last time, she intends to keep it that way. Since then she’s lost eighty-five pounds, gotten four streaks of purple in her hair, and moved to Buttcrack-of-Nowhere, Ohio, to help her mom escape a bad relationship. All the girls in her new school want one
thing—Jack Hunter, the Ice Prince of East Summit High. Hot as an Armani ad, smart enough to get into Yale, and colder than the Arctic, Jack Hunter’s never gone out with anyone. Sure, people have seen him downtown with beautiful women, but he’s never given high school girls the time of day. Until Isis punches him in the face. Jack’s met his match. Suddenly everything is a game. The goal: Make the other beg for mercy. The game board: East Summit High. The reward: Something neither of them expected. Previously published as Lovely Vicious, this fully revised and updated edition is full of romance, intrigue, and laugh-out-loud moments. The Lovely Vicious series is best enjoyed in order. Reading Order: Book #1 Love Me Never Book #2 Forget Me Always Book #3 Remember Me Forever

**The Song of Songs**- 2006 English and Hebrew.

**Chosen Tales**-Peninnah Schram 1995-07-01 The storytellers represented in Chosen Tales are among the most active and talented Jewish storytellers in the world. This extraordinary collection of 68 stories is, in a way, a Jewish storytelling festival, where storytellers gather to share stories, hear each other's stories, and get to know each other better through the stories that are told. Come and experience the magic of the oral tradition. Read and retell these stories again and again so that you too can shape the destiny of the timeless tradition of Jewish storytelling.
Sex and the Goddess-Karin E Weiss Ph.D., PhD 2019-11-25
It has been over twenty years since the full manuscript of my book was edited for publication in 1998. I had begun writing it in the previous decade, the 1980’s... a period of flourishing women’s liberation movements against the patriarchal status quo. Books about women’s sexuality and spirituality were flooding the bookstores, and many writers were producing profound studies of the untold heroism of women throughout history. I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School’s “Program in Human Sexuality.” In addition, I conducted women’s self-enrichment groups and workshops in my private practice... “Woman’s Discovery Institute” ... where I also gave professional Astrology readings and classes. This rich mix of psychology, philosophy, spirituality, and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women’s unsung heroism throughout history. It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi-layered lives. I based my theory on the lunar cycle, which is eternally linked to women’s menstrual, emotional, and psychic cycles. With a friend, I created a series of workshops for women to celebrate their many-faceted selves and gain confidence to pursue their goals. Yet for various reasons my book manuscript remained in my own bookshelf, never getting published. Until now... the times again call for women to claim their autonomy and gain equality in an overly male-dominated and viciously callous world. I am blessed to find in Xlibris a publisher ready to take on the project with me. I
am thrilled to finally see my “Life’s Masterwork” in print. You will find many divergent ideas in these two volumes. No single woman encompasses all that are described, but as you read and recognize these characters in yourselves and your friends, I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers.

**Consuming the Romantic Utopia**-Eva Illouz 1997-05-29
The study begins with readings of ads, songs, films and other public representations of romance and concludes with individual interviews in order to analyze the ways in which mass messages are internalized.

**The Song of Songs**-Ariel A. Bloch 1998-01-01 Next to Genesis, no book in the Hebrew Bible has had a stronger influence on Western literature than the Song of Songs. This attractive and exuberant edition helps to explain much of its power, while leaving its mystery intact. -- Alicia Ostriker, The New York Review of Books. Quite simply the best version in the English language. Its poetic voice, intimate, dignified, and informed by meticulous scholarship, carries us into the Eden of the original Hebrew text: a world in which the sexual awakening of two unmarried lovers is celebrated with a sensuality and a richness of music that are thrilling beyond words. -- Stephen Mitchell.

**The Moon in the Well**-Erica Helm Meade 2001 A master
storyteller transforms sixty-five myths and legends from various cultures around the world into an opportunity for spiritual nourishment.

**Modern Mysticism**-Michael Gellert 1994-01-15 Gellert takes us on a moving journey to explain modern mysticism and the highest religious experience.

**Far From This Land**-Michael Gellert 2021-06-01 This book is inspired by the author’s dreams and visionary experiences in response to brain surgery. Unfolding as a dialogue between different parts of his personality, its story is told from the perspective of an alter ego, a skeptical part of him that could not believe and accept these astonishing dreams and visions. Throughout his story, he is resistant to accepting his near-death experience—an extraordinary one by most standards. He has to fight his way to embracing, reluctantly, the implications this experience has for his personal development as well as his understanding of human evolution. The book explores such topics as the workings of the unconscious mind (dreams, visions, and paranormal phenomena); the evolution of consciousness and of our planet; and the psychological and spiritual dimension of climate change. Though very much about the afterlife, it has profound implications for our everyday lives. “A remarkable book that sets in motion the dreamscape of the unconscious mind. Gellert applies Jung’s active imagination techniques with great originality. The evolutionary material is fascinating, taking a deep dive into the philosophy of
theologian Pierre Teilhard de Chardin, among other things.”
—Wendy Goldman Rohm, New York Times bestselling author

The Last Girl- Nadia Murad 2018-10 "A memoir of Nadia Murad's time as a captive of the Islamic State, her escape, and her human rights activism"

A Daughter of Isis- Nawal El Saadawi 2013-04-04 'Against the white sand, the contours of my father's body were well defined, emphasized its existence in a world where everything was liquid, where the blue of the sea melted into the blue of the sky with nothing between. This independent existence was to become the outer world, the world of my father, of land, country, religion, language, moral codes. It was to become the world around me. A world made of male bodies in which my female body lived.' Nawal El Saadawi has been pilloried, censored, imprisoned and exiled for her refusal to accept the oppressions imposed on women by gender and class. For her, writing and action have been inseperable and this is reflected in some of the most evocative and disturbing novels ever written about Arab women. Born in a small Egyptian village in 1931, she eluded the grasp of suitors before whom her family displayed her when she was still ten years old and went on to qualify as a medical doctor. In 1969, she published her first work of non-fiction, Women and Sex; in 1972, she was dismissed from her profession because of her political activism. From then on there was no respite: imprisonment under Sadat in 1981
was the culmination of the long struggle she had waged for Egyptian women's social and intellectual freedom; in 1992, her name appeared on a death list issued by a fundamentalist group after which she went into exile for five years. Since then, she has devoted her time to writing novels and essays and to her activities as a worldwide speaker on women’s issues. A Daughter of Isis is the autobiography of this extraordinary woman. In it she paints a sensuously textured portrait of the childhood that produced the freedom fighter. We see how she moulded her own creative power into a weapon - how, from an early age, the use of words became an act of rebellion against injustice.

**Encyclopedia of Feminist Literature**-Mary Ellen Snodgrass 2015-04-22 Presents articles on feminist literature, including significant authors, themes and history.

**Handfasting and Wedding Rituals**-Raven Kaldera 2003 An overview of wedding rituals for neopagans features ceremonies inspired by a wide range of influences, mythological love stories, and belief systems, including interfaith ceremonies allowing for just about any combination of religions, and tips on finding officiates, suggested readings, and more.

**A Daughter of Isis**-Nawal El Saadawi 1999 Egyptian novelist, doctor, and militant writer of Arab women's First Love Stories From Isis And Osiris To Tristan And Iseult
struggles, Saadawi recounts her life since she was born and describes her work as a physician, the publishing of her first books, and her incarceration and exile.

**And a Sword Shall Pierce Your Heart**-Charlotte Mathes 2005-09 "The author tells her story of "personal knowing from walking the path of mother grief," while establishing a background that guides the reader through the steps and archetypes that mark the process of mourning. Through personal experience, myth, and stories, she shows how one can gain a renewed sense of inner and outer wholeness in life" -- publisher website (November 2006).

**Dragon Lore and Love**-N.D. Jones 2018-08-12 Life, death, and rebirth, Isis's and Osiris's future hinges on all three. A century ago, the Dragon Kingdom of Nebty was lost to darkness. Invaded by demon hordes hellbent on stealing two powerful scepters, the Demon King claimed the preternatural realm as his own. To survive, the dragons fled their beloved home and sought refuge in the human realm. Having lived most of their lives in human form, Queen Isis and Rock Dragon Osiris, mere children during the Great Exodus, find themselves clinging to their culture and the ties that bind what's left of Dragonkind. Safe and assured that they are free from the threat of demons, their love flourishes. Yet, on one horrific night, their lives are shattered by tragedy and betrayal. They learn that no realm is beyond the brutal reach of the Demon King. Scores must be settled. Love must be remembered. And a lost nation
must be reclaimed.

Soul Signs in Love-Diane Eichenbaum 2001-04-13 Do you believe that the key to finding your soul mate is only in your stars? That you and your partner must have compatible Sun signs if romance is going to thrive? Not so! The truth is that many couples who seem ideally matched astrologically don't sustain a loving relationship. While most astrology books may tell you that true love is a matter of fate, Diane Eichenbaum's Soul Signs in Love shows you that you have the freedom to create the relationship that's right for you. Eichenbaum reveals that relationships involve a combination of factors: destiny, an understanding of each partner's sign, and the willingness to work through the highs and lows of love's natural progression. Each of the twelve signs of the Zodiac corresponds to a phase of a romance, from passionate court-ship, represented by fiery Aries, to the commitment and soul bonding of watery Pisces. Each Sun sign has its gifts (the discernment of Virgo or the enthusiasm of Sagittarius, for example) and its corresponding challenges (the self-doubt of Taurus or the unpredictability of Aquarius) that it brings to a relationship. By understanding that the choice to love and grow with your partner is yours and yours alone, Soul Signs in Love shows you how to enjoy and revel in the unfolding process of discovery and revelation that underlies lasting love.

The Daughters of Kobani-Gayle Tzemach Lemmon 2021 A NEW YORK TIMES BESTSELLER The extraordinary story of
the women who took on the Islamic State and won "The Daughters of Kobani is an unforgettable and nearly mythic tale of women's power and courage. The young women profiled in this book fought a fearsome war against brutal men in impossible circumstances--and proved in the process what girls and women can accomplish when given the chance to lead. Brilliantly researched and respectfully reported, this book is a lesson in heroism, sacrifice, and the real meaning of sisterhood. I am so grateful that this story has been told."--Elizabeth Gilbert, author of Big Magic and Eat, Pray, Love "Absolutely fascinating and brilliantly written, The Daughters of Kobani is a must-read for anyone who wants to understand both the nobility and the brutality of war. This is one of the most compelling stories in modern warfare."--Admiral William H. McRaven, author of Make Your Bed In 2014, northeastern Syria might have been the last place you would expect to find a revolution centered on women's rights. But that year, an all-female militia faced off against ISIS in a little town few had ever heard of: Kobani. By then, the Islamic State had swept across vast swaths of the country, taking town after town and spreading terror as the civil war burned all around it. From that unlikely showdown in Kobani emerged a fighting force that would wage war against ISIS across northern Syria alongside the United States. In the process, these women would spread their own political vision, determined to make women's equality a reality by fighting--house by house, street by street, city by city--the men who bought and sold women. Based on years of on-the-ground reporting, The Daughters of Kobani is the unforgettable story of the women of the Kurdish militia that improbably became part of the world's
best hope for stopping ISIS in Syria. Drawing from hundreds of hours of interviews, bestselling author Gayle Tzemach Lemmon introduces us to the women fighting on the front lines, determined to not only extinguish the terror of ISIS but also prove that women could lead in war and must enjoy equal rights come the peace. In helping to cement the territorial defeat of ISIS, whose savagery toward women astounded the world, these women played a central role in neutralizing the threat the group posed worldwide. In the process they earned the respect--and significant military support--of U.S. Special Operations Forces. Rigorously reported and powerfully told, The Daughters of Kobani shines a light on a group of women intent on not only defeating the Islamic State on the battlefield but also changing women's lives in their corner of the Middle East and beyond.

**Stories, Time and Again**-Jan Irving 2006 Presents ideas for creative, book-based children's programs, and includes such teaching aids as materials lists, reproducible illustrations, and an annotated list of relevant picture books.

**Publishers Weekly**- 1991

**Otherworld Journeys**-Carol Zaleski 1988-11-03 Dozens of books, articles, television shows, and films relating "near-death" experiences have appeared in the past decade. People who have survived a close brush with death reveal...
their extraordinary visions and ecstatic feelings at the moment they died, describing journeys through a tunnel to a realm of light, visual reviews of their past deeds, encounters with a benevolent spirit, and permanent transformation after returning to life. Carol Zaleski's Otherworld Journeys offers the most comprehensive treatment to date of the evidence surrounding near-death experiences. The first to place researchers' findings, first-person accounts, and possible medical or psychological explanations in historical perspective, she discusses how these materials reflect the influence of contemporary culture. She demonstrates that modern near-death reports belong to a vast family of otherworld journey tales, with examples in nearly every religious heritage. She identifies universal as well as culturally specific features by comparing near-death narratives in two distinct periods of Western society: medieval Christendom and twentieth-century secular America. This comparison reveals profound similarities, such as the life-review and the transforming after-effects of the vision, as well as striking contrasts, such as the absence of hell or punishment scenes from modern accounts. Mediating between the "debunkers" and the near-death researchers, Zaleski considers current efforts to explain near-death experience scientifically. She concludes by emphasizing the importance of the otherworld vision for understanding imaginative and religious experience in general.
essays and articles on topics and trends in publishing, literature, culture and the arts. Includes lists of best sellers (hardcover and paperback).

**Isis Reborn**-Ann Brenden 2010-01-27 A suspenseful adventure love story of a modern woman who must discover the mysterious links between an ancient Egyptian psychic legacy and the immortal evil mastermind bent on her annihilation.

**The Girl Who Beat Isis**-Farida Khalaf 2016-05-15 In August 2014, Farida, like any ordinary teenage girl, was enjoying the summer holidays before her last year at school. But Farida lived in the mountains of northern Iraq - and what happened next was unimaginable. Her village was an ISIS target. ISIS jihadists murdered the men and boys, including her father and brother, before taking Farida and the other women prisoner. This is the story of what happened to Farida after she was captured: the beatings, the rapes, the markets where ISIS sold women like cattle, and Farida's realisation that the more resistant she became, the harder it was for her captors to continue their atrocities against her. So she struggled, she bit, she kicked, she accused her captors of going against their religion, until, one day, the door to her room was left unlocked. She took her chance and, with five younger girls in her charge, fled into the Syrian desert. Farida showed incredible courage in the face of the unthinkable, and now with The Girl Who Beat ISIS she bravely relives her story to bear witness. Searing
and immediate, this is the first memoir by a young woman that shows first-hand what life is like for innocents caught up in the maelstrom of day-to-day life with ISIS.

Children's Stories and 'Child-Time' in the Works of Joseph Cornell and the Transatlantic Avant-Garde-
Analisa Leppanen-Guerra 2017-07-05 Focusing on his evocative and profound references to children and their stories, Children's Stories and 'Child-Time' in the Works of Joseph Cornell and the Transatlantic Avant-Garde studies the relationship between the artist's work on childhood and his search for a transfigured concept of time. This study also situates Cornell and his art in the broader context of the transatlantic avant-garde of the 1930s and 40s. Analisa Leppanen-Guerra explores the children's stories that Cornell perceived as fundamental in order to unpack the dense network of associations in his under-studied multimedia works. Moving away from the usual focus on his box constructions, the author directs her attention to Cornell's film and theater scenarios, 'explorations', 'dossiers', and book-objects. One highlight of this study is a work that may well be the first artist's book of its kind, and has only been exhibited twice: Untitled (Journal d'Agriculture Pratique), presented as Cornell's enigmatic tribute to Lewis Carroll's Alice books.

Guest House for Young Widows-Azadeh Moaveni 2019 Based on years of immersive reporting, Pulitzer finalist Moaveni has written a gripping account of 13 women as
they joined, endured, and, in some cases, escaped life in the Islamic State. Among the many books trying to understand the terrifying rise of ISIS, none has given voice to the women in the organization.

The Keeper of the Isis Light-Monica Hughes 2000
Sixteen-year-old Olwen, who lives alone on the planet Isis with her faithful robot, falls tragically in love with an arrival from earth who is unaware that her natural form has been hidden in a humanlike space suit.

Nature, Culture and Gender-P. Mary Vidya Porselvi 2016-04-20 Folktales in India have been told, heard, read and celebrated for many centuries. In breaking new ground, Indian folktales have been reread and examined in the light of the Mother Earth discourse as it manifests in the lifeworlds of women, nature and language. The book introduces ecofeminist criticism and situates it within an innovative folktale typology to connect women and environment through folklore. The book proposes an innovative paradigm inspired by the beehive to analyze motifs, relationships, concerns, worldviews and consciousness of indigenous women and men who live close to nature as well as other socially marginalized groups. In the current global context fraught with challenges for ecology and hopes for sustainable development, this book with its interdisciplinary approach will interest scholars and researchers of literature, environmental studies, gender studies and cultural anthropology.

Fiction, a Finding List of Novels, Stories and Other Forms of Prose Fiction in English for Adults in the Chicago Public Library, January 1, 1921 - Chicago Public Library 1922
