The Nonprofit Management Handbook Operating Policies And Procedures

The Nonprofit Management Handbook-Tracey D. Conors 1996-03-06 A comprehensive procedures manual— all in one volume—specifically designed for nonprofit managers Never before has one sourcebook tackled the free space of management policies and procedures as they apply to the special needs of nonprofit organizations. Featuring the contributions of over 40 nationally recognized experts in the field, The Nonprofit Management Handbook Operating Policies and Procedures is your single-text reference for ideas on how to standardize your daily operations, improve efficiency, and control the development of your nonprofit organization. Clearly and concisely, this indispensable book addresses such vital questions as: In what direction should you take your nonprofit? What are the non-cash ways to implement change? How can you qualify your public service mission in the face of dwindling resources and a more competitive environment? How can you evaluate and maximize your fund-raising activities and marketing strategies? What are the best ways to organize a process of review, assessment, renewal, and change? The Nonprofit Management Handbook: Operating Policies and Procedures is more than a source of great ideas; it also gives you a wealth of forms, checklists, organizational charts, sample letters, and flow charts that you can adapt for use in your organization.

The Jossey-Bass Handbook of Nonprofit Leadership and Management David O. Renz 2016-08-15 The go-to nonprofit handbook, updated and expanded for today’s leader The Jossey-Bass Handbook of Nonprofit Leadership and Management is the bestselling professional reference and leading text on the functions, processes, and strategies that are integral to the effective leadership and management of nonprofit and nongovernmental organizations. Now in its fourth edition, this handbook presents the most current research, theory, and practice in the field of nonprofit leadership and management. This practical, relevant guide is invaluable to the effective practice of nonprofit leadership and management, with expanded attention to accountability, transparency, and organizational effectiveness. It also extensively covers the practice of social entrepreneurship, presented via an integrative co-creative that helps the reader make practical sense of how to tie it all together. Nonprofit organizations present unique opportunities and challenges for meeting the needs of societies and their communities, yet nonprofit management is more complex and challenging than ever. This Handbook provides a framework to help you lead and manage efficiently and effectively in this new environment. Building on solid current scholarship, the handbook provides candid, practical guidance from nationally-recognized leaders who share their insights on: The relationship between board performance and organizational effectiveness Managing internal and external stakeholder relationships Financial viability and sustainability and how to enhance both for the long term Strategies to successfully attract, retain, and mobilize the very best of staff and volunteers The fourth edition of the handbook also includes content relevant to associations and membership organizations. The content of the handbook is supplemented and enriched by an extensive set of online supplements and tools, including reading lists, web references, checklists, PowerPoint slides, discussion guides, and sample exams. Running your nonprofit or nongovernmental organization effectively in today’s complex and challenging environment demands more knowledge and skill than ever, deployed in a thoughtful and pragmatic way. Grounded in the most useful modern scholarship and theory, and explained from the perspective of effective practice, this Handbook’s Jossey-Bass Handbook of Nonprofit Leadership and Management is a pivotal resource for successful nonprofit leaders in these turbulent times.

The Nonprofit Human Resource Management Handbook-Jessica K. A. Word 2017-06-26 As an increasing number of individuals go up to work in the nonprofit sector, nonprofit managers need some help managing human resource management capacity. They need to know what systems to examine, what questions to ask, and how to ensure they are managing people in a legal manner and as effectively as possible given their particular resource constraints. Important questions include: Do we have a clear philosophy, one that aligns with our nonprofit mission and values and allows us to treat our employees as the professionals they are? How do we select, develop, and retain the best people who will produce high value, high performance work, and how do we do so with limited resources? How do we effectively manage our mix of volunteers and paid staff? What do we need to consider to ensure diverse people work together in a harmonious fashion? With all new chapters written by the top scholars in the field of nonprofit HRM, these are but a few of the many questions that are addressed in this timely volume. These scholars delve into their particular areas of expertise, offering a comprehensive look at topics and trends; legal and ethical issues; how to build HRM from recruitment, management, labor relations, to training and appraisal; as well as topics in diversity, technology, and paid versus volunteer workforce management. This essential handbook offers all core topic coverage as well as countless insider insights, additional resource lists, and tool sets and checklists. With chapters grounded in existing research, but also connecting research to practice for those in the field, The Nonprofit Human Resource Management Handbook will be required reading for a generation of scholars, students, and practitioners of nonprofit human resource management.

The Volunteer Management Handbook-Tracey D. Conors 2011-11 Completely revised and expanded, the ultimate guide to starting—and keeping—an active and effective volunteer program Drawing on the experience and expertise of recognized authorities on nonprofit organizations, The Volunteer Management Handbook, Second Edition is the only guide you need for establishing and maintaining an active and effective volunteer program. Written by nonprofit leader Tracy Conors, this handy reference offers practical guidance on such essential issues as motivating people to volunteer their time and services, recruitment, and more. Up-to-date and practical, this is the essential guide to managing your nonprofit’s most important resource: its volunteers. Conors covers volunteer demographics, volunteer program leaders and managers, policy making and implementation, planning and staff analysis, recruiting, interviewing and screening volunteers, orienting and training volunteers, and much more. Up-to-date, practical guidance for the major areas of volunteer leadership and management: Explores volunteers and the law: liabilities, immunities, and responsibilities Designed to help nonprofit organizations survive and thrive. The Volunteer Management Handbook, Second Edition is an indispensable reference that is unsurpassed in both the breadth and depth of its coverage.

New references at the end of every chapter provide updated and expanded case studies and real-world examples to help students connect to the real world.

The Jossey-Bass Handbook of Nonprofit Leadership and Management-David O. Renz 2010-10-01 This is the Third Edition of the bestselling nonprofit management reference and text called the "big green book.” Based on updated research, theory, and experience, this comprehensive edition offers practical advice on managing nonprofit organizations and addresses key aspects such as board development, strategic planning, lobbying, marketing, fundraising, volunteer management, financial management, risk management, and compensation and benefits. New chapters cover developments in such areas as social entrepreneurship, financial leadership and capital structure, accountability and transparency, and the changing political-legal climate. It includes an instructor's manual.

Introduction to Nonprofit Management-W. Glenn Rowe 2012-01-20 The SAGE Text and Cases Series, featuring IVEY Cases is a co-publishing partnership between SAGE Publications and the Richard Ivey School of Business at The University of Western Ontario. Due to their popularity in more than 60 countries, approximately 200 new cases are added to the Ivey School of Business library each year. These affordable collections not only help students connect to real-world situations, but benefit corporations seeking continued education in the field as well. Introduction to Nonprofit Management: Text and Cases is a unique collection of 28 cases from Ivey Publishing. This casebook helps students gain a better understanding of nonprofit management by providing them with a look at the complex issues that leaders of nonprofit organizations must tackle on a regular basis.

Nonprofit Management: Principles and Practice-Michael J. Worth 2013-04-17 Nonprofit Management: Principles and Practice is a comprehensive textbook written for the nonprofit management course. It is the only book that offers a broad and balanced perspective on the field. The book touches on key issues including governance, finance, management, fundraising, conflict of interest, social entrepreneurship, nonprofit lobbying and advocacy, managing international and global organizations, and social entrepreneurship. Written specifically for students, this text integrates research, theory, and the practitioner literature and includes more than is found in the more prescriptive, practitioner-oriented alternatives. Providing an overview suitable for students enrolled in their first course in the field, the book also includes cases and discussions of advanced issues for those in more advanced courses. A chapter on social entrepreneurship, which examines the theories behind this concept as well as the successful practices of high-impact nonprofits around the world - defines a balanced approach to varied perspectives and controversial issues and encompasses traditional concepts as well as new approaches and thinking. Integrates social sciences research, management theory, and practitioner literature includes mini-cases to enhance student understanding of the issues involved in real-world
The Volunteer Management Handbook—Traacy D. Connors 1995-11-16 The Volunteer Management Handbook is the only single-volume resource to cover all aspects of managing a volunteer program. Drawing on the firsthand experiences of a broad range of theses, it provides practical guidelines, suggestions, and checklists to help nonprofit managers develop comprehensive strategies for starting and running successful volunteer programs. It offers a wide variety of proven techniques for dealing with fundamental administrative issues, such as how to attract volunteers to your nonprofit, how should they be managed, and what can and should be their responsibilities. Essential information on key legal concepts, from standard employment law to risk management, is brought together and organized for easy reference. Basic management practices, including recruiting, training, and integrating volunteers into the general organizational structure, are described by experienced professionals in the nonprofit sector. Often, the key to successful volunteer programs is organization. Designed to help nonprofit managers and volunteers better understand their respective roles and responsibilities, the Handbook provides all the materials needed for developing a detailed Volunteer Management Policy Manual that can be tailored to the specific needs of your nonprofit organization. It offers a nonpartisan presentation of management reference in recruitment, time-tested management techniques, and authoritative guidance on policy. Makes The Volunteer Management Handbook a rich and indispensable resource for nonprofit executives, directors, managers, fund-raising professionals, consultants, volunteer leaders, and others responsible for this important human resource.

Nonprofit Management 101—Darian Rodriguez Heyman 2011-05-03 A comprehensive handbook for leading a successful nonprofit. This handbook can educate and empower a whole generation of nonprofit leaders, helping them to navigate through the rapid changes they have gained from recent decades. This book provides a road map for the future of nonprofit organizations. With refreshing insights, engaging illustrations, and practical tips and tricks, the handbook addresses the conceptual frameworks, practical knowledge, and concise guidance needed to succeed in the social sector. Designed as a handbook, the book is filled with sage advice and insights from a variety of trusted experts that can help nonprofit professionals prepare to achieve their organizational and personal goals, develop a better understanding of what they need to lead, support, and grow an effective organization. Addresses a wealth of topics including fundraising, Managing Technology, Marketing, Finance, Advocacy. Working with Board Contributors are noted nonprofit leaders who define the core capabilities needed to manage a successful nonprofit. Author is the former Executive Director of Craigslist Foundation. This important resource offers professionals key insights that will have a direct impact on improving their daily work.

Effective Non-Profit Management—Shamima Ahmed 2012-08-28 In an environment of increased interdependency and collaborations among non-profits, for-profits, and governmental organizations, research shows that nonprofit managers need to develop a diverse mix of skills in order to meet the demands of the 21st century. This book is the first to bring together a body of research that outlines the legal, financial, and administrative structures of nonprofit organizations in the United States. With a unique blend of theoretical knowledge and practical approaches, this book provides a complete and comprehensive overview of nonprofit management. This book is designed to provide an overview of the important roles and responsibilities of nonprofit managers. It is intended for anyone involved in nonprofit management, including executive directors, board members, and other professionals who work in the nonprofit sector. The book is divided into two sections: section one focuses on the legal and financial aspects of nonprofit management, while section two covers the social and administrative aspects. The book is an important resource for anyone working in the nonprofit sector.

Nonprofit Governance and Management—Victor Futter 2002 This updated edition of Nonprofit Governance: The Executive’s Guide expands the scope of its popular predecessor to address issues relevant to both directors and managers of nonprofit organizations.

Effective Non-Profit Management: Context, Concepts, and Competencies—Bruce A. Seaman 2018-06-29 Building on the success of the first edition, this thoroughly revised and expanded edition explores (1) areas of general agreement from previous research; (2) areas of conflicting results and unexplored questions; (3) the relative roles of theory, data availability and empirical analysis in explaining gaps in our knowledge; and (4) what must be done to improve our knowledge and extend the literature. Selected original chapters addressing especially challenging topics include the value of risk management to nonprofit decision-making; nonprofit wages theory and evidence; the valuation of volunteer labor; property tax exemption for nonprofits; when is competition good for the third sector; and product diversification and social enterprise: international perspectives; the application of experimental research and the macroeconomic effects of the nonprofit sector.

Managing to Change the World: Alcove Green 2012-04-03 Why getting results should be every nonprofit manager’s first priority: A nonprofit manager’s fundamental job is to get results, sustained over time, rather than boost morale or promote staff development. This chapter is the centerpiece of many management books, particularly in the nonprofit world. Managing to Change the World is designed to help new and experienced nonprofit managers understand the effective strategies of management, including Managing specific task barriers and a strong collection of practical tips and tricks, it offers a wealth of information for managers in every stage of their career.

The Volunteer Management Handbook—Traacy D. Connors 1995-11-16 The Volunteer Management Handbook is the only single-volume resource to cover all aspects of managing a volunteer program. Drawing on the firsthand experiences of a broad range of theses, it provides practical guidelines, suggestions, and checklists to help nonprofit managers develop comprehensive strategies for starting and running successful volunteer programs. It offers a wide variety of proven techniques for dealing with fundamental administrative issues, such as how to attract volunteers to your nonprofit, how should they be managed, and what can and should be their responsibilities. Essential information on key legal concepts, from standard employment law to risk management, is brought together and organized for easy reference. Basic management practices, including recruiting, training, and integrating volunteers into the general organizational structure, are described by experienced professionals in the nonprofit sector. Often, the key to successful volunteer programs is organization. Designed to help nonprofit managers and volunteers better understand their respective roles and responsibilities, the Handbook provides all the materials needed for developing a detailed Volunteer Management Policy Manual that can be tailored to the specific needs of your nonprofit organization. This important resource offers professionals key insights that will have a direct impact on improving their daily work.

ICT Management in Non-Profit Organizations—Alcove Montes, José Antonio 2014-04-30 The instability of today’s economic climate calls for nonprofit organizations to approach social problems in new and interesting ways, and Internet communications and Information Technologies may serve as an answer to this call. ICT Management in Non-Profit Organizations aims to explore the effective and comprehensive deployment of appropriate ICT strategies within the nonprofit sector. This innovative reference work will discuss how ICT enables the non-profit sector to achieve organizational efficiency, effectiveness, and, ultimately, self-sufficiency, and will provide elected and appointed policymakers, managers, and planners in governments, public agencies, and nonprofit organizations with a comprehensive strategy for creating an ICT management agenda in the nonprofit sector.

Nonprofit Sector—Organizing Logics, Nonprofit Management and Change—Traacy D. Connors 2021-02-24 Nonprofit organizations are conventionally positioned as generators of social and cultural forms of capital for the common good. As such, they occupy a different space to other types of organizations such as corporate firms that exist primarily to generate economic capital for private owners/shareholders. Recent years, however, have seen organizational professionalism promoted widely by funders, policy-makers and nonprofit practitioners across the globe. At the same time, there has been an increasing cross-over of employees from private and public bodies into nonprofits. But do such shifts open up space for the wholesale importation of managerialism into and commercialization of the nonprofit sphere? Are nonprofits at risk of being reconstituted as primarily economic entities, serving the interests of a leadership elite? How are such changes in an organization’s trajectory brought about? What are the implications of these changes for the样的 organizations working in the social enterprise space, and raises a number of emerging topics and issues that will shape nonprofit management in future decades. As graduate programs continue to evolve to serve the training needs in the field, The Volunteer Management Handbook is an essential reference and resource for graduate students, researchers, and practitioners interested in a deeper understanding of the operation of the nonprofit sector.
organizational change as a process involving power, persuasion, and authority, and will be of value to researchers, students, academics and practitioners interested in managerial work and organizational change in non-profit organizations.

Nonprofit Organizations: Helmut K. Anheier 2014-04-16 In this new edition of his popular textbook, Nonprofit Organizations: Theory, Management, Policy, Helmut K. Anheier has fully updated, revised and expanded his comprehensive introduction to this field. The text includes: a structured introduction into nonprofit organizations; an international and comparative dimension perspective, detailing the background and concepts behind these organizations and examining relevant theories and central issues. Anheier covers the full range of nonprofit organizations - service providers, membership organizations, foundations, community groups - in different fields, such as arts and culture, social services and education. He introduces central terms such as philanthropy, charity, community, social entrepreneurship, social investment, public good and civil society, which will enable him to examine his main research effort, whilst explaining how the field spills over from public management, through nonprofit management and public administration. The previous edition won the Best Book Award at the American Academy of Management in 2006. Nonprofit Organizations: Theory, Management, Policy is an ideal resource for students on undergraduate and postgraduate courses in both Europe and North America.

The Florida Nonprofit Handbook: Everything You Need To Know To Start and Run Your Florida Nonprofit Organization-Gary M. Grobman 2021-03-17 The Florida Nonprofit Handbook is the most up-to-date and useful publication for those starting a nonprofit or for those already operating one in Florida. This Handbook is based on The Pennsylvania Nonprofit Handbook, a book originally published in 1992 with the help of more than two-dozen nonprofit executives and attorneys and now in its 12th edition. Each easy-to-read chapter includes a synopsis, useful tips, and resources to obtain more information. This essential reference tool includes: Information about current laws, court decisions, and regulations that apply to nonprofits in Florida; practical advice on running a nonprofit, including chapters on grant-writing, communications, fundraising, quality management, insurance, marketing, lobbying, personnel, fiscal management, non-profit ethics, and more; Included is information on applying for federal and state tax-exempt status, how to write effective grant applications, how to hire and fire, Internet resources for nonprofits, how to develop a strategic plan, and how to plan for a program evaluation.

The Texas Nonprofit Handbook: Everything You Need To Know to Start and Run Your Texas Nonprofit Organization-Gary M. Grobman 2021-03-10 THE TEXAS NONPROFIT HANDBOOK is the definitive handbook on starting and running a nonprofit corporation in Texas. This 479-page handbook is a valuable resource for nonprofit executive staff, nonprofit board members, attorneys who practice nonprofit law, accountants who advise nonprofit organizations, persons who plan to form a new nonprofit organization, and students studying nonprofit management. The Texas Nonprofit Handbook includes information about current laws, court decisions, and regulations that apply to nonprofits; practical advice on running a nonprofit corporation; sample corporate bylaws; and sources of information on how to start up a new nonprofit in Texas. It is based on The Pennsylvania Nonprofit Handbook, first published in 1992 and now in its 12th edition.

Field Guide to Developing, Operating and Restructuring Your Nonprofit Board-Carter McNamara 2008-01-01 Handbook of Research on Managerial Solutions in Non-Profit Organizations-Potocan, Vojko 2016-08-23 Non-profit organizations (NPOs) are the fastest growing organizations in modern society. They exist in a liminal realm between public and private organizations, and because of this, new jurisdictions are created for NPOs. The existence of NPOs is contingent upon their adequacy, and management is a key determining factor as to whether an organization survives. The Handbook of Research on Managerial Solutions in Non-Profit Organizations provides relevant theoretical frameworks and the latest empirical research related to the successful management of nonprofits. Providing insights into the practical and valuable comparisons between strategies in different contexts, this book gives invaluable support for nonprofit managers, policy makers, students, and researchers.

Nonprofit Financial Management: Charles K. Coo 2011-05-12 A timely, practical, and concise handbook of best practices for nonprofit financial management In 2010 an estimated 325,000 charities, membership groups, and trade associations with small nonprofits disproportionately represented?stand to lose their tax exemptions for failure to comply with financial management requirements. Nonprofit Financial Management: A Practical Guide is a timely, functional, and concise handbook of best practices for nonprofit organizations of every size. Addresses federal reporting requirements and the financial management and control requirements of the Sarbanes-Oxley Act, SOX, covers nonprofit accounting, internal controls, covers nonprofit budgeting and audit requirements, internal controls and the highly volatile environment in which nonprofit organizations operate.CAA The budgeting chapter includes an explanation of the 30 different budget elements that cover in detail budget statements Explain how to read financial statements and analyze a nonprofit's financial condition by using the most recent IRS 990 reporting form Covers the full range of financial-management topics, including accounting, internal controls, auditing, evaluating financial condition, budgeting, cash management, purchasing and contracting, borrowing and risk management Written in an easy-to-read style, with more than 100 exhibits, this book is essential for every nonprofit financial manager.

Research Handbook on Governance-Donnally-Cox, Gemma 2012-12-07 This multi-perspective Research Handbook provides a clear pathway through the nonprofit governance research field, pushing beyond the borders of current theory to expand and deepen the analytical framework for nonprofit governance. It offers an analysis of the basics including definitions, organizational forms and levels of governance, and takes a critical approach towards the normative and prescriptive tendencies in much of contemporary governance scholarship.

ASAE Handbook of Professional Practices in Association Management-John B. Cox 2015-01-27 A new edition of one of the flagship books for CAE preparation The ASAE Handbook of Professional Practices in Association Management covers the core functions of association management at a high but practical level, making it a go-to resource for professionals who are leading and managing membership engagement programs, and those seeking the Certified Association Executive (CAE) credential. In its third edition, this core text in the ASAE association literature offers practical, experience-based insights, strategies, and techniques for managing every aspect of an association or membership organization. Organized into 35 chapters and presenting information based on proven experience and research into the skills and knowledge required for successfully managing an organization of any size, this book covers governance and structure, leadership processes, management and administration (including finance and human resources), internal and external relations, programs and services, and much more. This new edition incorporates increased emphasis on the c-level judgment required of Certified Association Executives and CEO-aspirants, as well as more comprehensive coverage of essential functions such as planning. Covers the range of functions essential to managing an association Serve as a guide to professionals for CAE prep and is one of only five designated CAE Core Resources; new edition is applicable to prep beginning with the May 2015 CAE exam Information is relevant and applicable to students and professionals alike Edited by the founding editor of Professional Practices in Association Management and a CAE instructor with more than 30 years of experience in preparing CAEs Put the experts to work for you with this essential resource-written by association professionals and experts with 300 years of cumulative experience!

Model Policies and Procedures for Not-For-Profit Organizations-Charles K. Coo 2011-05-12 A timely, practical, and concise handbook of best practices for nonprofit financial management In 2010 an estimated 325,000 charities, membership groups, and trade associations with small nonprofits disproportionately represented?stand to lose their tax exemptions for failure to comply with financial management requirements. Nonprofit Financial Management: A Practical Guide is a timely, functional, and concise handbook of best practices for nonprofit organizations of every size. Addresses federal reporting requirements and the financial management and control requirements of the Sarbanes-Oxley Act, SOX, covers nonprofit accounting, internal controls, covers nonprofit budgeting and audit requirements, internal controls and the highly volatile environment in which nonprofit organizations operate.CAA The budgeting chapter includes an explanation of the 30 different budget elements that cover in detail budget statements Explain how to read financial statements and analyze a nonprofit's financial condition by using the most recent IRS 990 reporting form Covers the full range of financial-management topics, including accounting, internal controls, auditing, evaluating financial condition, budgeting, cash management, purchasing and contracting, borrowing and risk management Written in an easy-to-read style, with more than 100 exhibits, this book is essential for every nonprofit financial manager.

Managing Nonprofit Organizations-Mary Tschirhart 2012-07-10 MANAGING NONPROFIT ORGANIZATIONS This essential resource offers an overall understanding of nonprofits based on both the research and fieldwork that has been done over the first 20 years of the ASAE leadership achievement program. This comprehensive overview offers comprehensive coverage of what it takes to be entrepreneurial and collaborative, formulate successful strategies, assess performance, manage change, acquire resources, be a responsible financial steward, and design and implement solid marketing and communication plans. "Managing Nonprofit Organizations is the only introductory text on this subject that manages to do three critical things equally well. It's comprehensive, covering all the key topics leaders of NPOs need to know about; it's practical, providing lots of examples, case incidents, and experiential exercises that connect the content to the real world, and, best of all (as far as I am concerned) compared to similar texts, it's research-based, drawing on the latest and best empirical studies that link into what works and what doesn't work in the world of nonprofit management."

MANAGING NONPROFIT ORGANIZATIONS presents a comprehensive treatment of this important topic. The book satisfies the competencies and curriculum guidelines developed by NASPAA and by NACC and would be ideal for instruction. The book maintains its commitment to informing management and leadership throughout the nonprofit sector." -Jeffrey L. Brudney, Albert A. Levin Chair of Urban Studies and Public Service, Cleveland State University "This is an important book, written by two of the leading scholars in the nonprofit studies field. Nonprofit managers, board members, funders, educators, and..."
The Little Book of Boards

Erik Hanberg 2015-02-10 Are you new to a board and have no idea what’s expected of you? Do you know what a board’s six key responsibilities are? Do you know what your relationship with the Executive Director should be? If not, this book is for you. So many board members—especially of small nonprofits—want to support a nonprofit and readily accept the invitation to join the board. It’s only then that they discover they are in over their heads, with no idea of their expectations and responsibilities. The Little Book of Boards is here to throw that drowning board member (you) a life preserver. Told with a conversational style that is both approachable and easy to navigate, this book will equip you with the hands-on wisdom and practical tips and big-picture ideas about: the basics of the job, program, people, and money—the three essential areas that a nonprofit Board needs to master working with your board (including how to run meetings, how to make decisions, and how to evaluate meetings work, and what’s expected between meetings). In addition, at the back of the book are several in-depth resources for understanding Roberts Rules of Order, bylaws, committee structures, board leadership, and much more. Perfect for any new board member—or for an entire board that is feeling lost—this book is the perfect guide to being a part-time Executive Director and more, including access to bonus chapters and special resources! Erik Hanberg has twenty years of nonprofit experience at organizations of all sizes. He’s channeled that experience into his four “little books” for nonprofits, which together have sold tens of thousands of copies. Jumpstart your nonprofit now with The Little Book of Nonprofit Leadership: An Executive Director’s Handbook for Small (and Very Small) Nonprofits.

Engine of Impact

William F. Meehan III 2017-11-14 We are entering a new era—an era of impact. The largest intergenerational transfer of wealth in history will soon be under way, bringing with it the potential for huge increases in philanthropic funding. Engine of Impact shows how nonprofits can apply the principles of strategic leadership to attract greater financial support and leverage that funding to maximum effect. As Good to Great author Jim Collins writes in his foreword, this book offers “a detailed roadmap of disciplined thought and action for turning a good nonprofit into one that can achieve great impact at scale.” William F. Meehan III and Kim Starkey Jonker identify seven essential elements of strategic leadership that set high-achieving organizations apart from the rest of the nonprofit sector. Together, these elements form an “engine of impact”—a system that organizations must build, tune, and fuel if they hope to make a real difference in the world. Drawing on decades of teaching, advising, grantmaking, and research, Meehan and Jonker provide an actionable guide that executives, staff, board members, and donors can use to jumpstart their own performance and to achieve extraordinary results for their organization. Along with setting forth best practices using real-world examples, the authors outline common management challenges faced by nonprofits, showing how these challenges differ from those faced by for-profit businesses in important and often-neglected ways. By offering crucial insights on the fundamentals of nonprofit management, this book will help leaders equip their organizations to fire on all cylinders and unleash the full potential of the nonprofit sector. Visit www.engineofimpact.org for additional information.

The Jossey-Bass Handbook of Nonprofit Leadership and Management

Robert D. Herman & Associates 2011-01-31 The Jossey-Bass Handbook of Nonprofit Leadership and Management offers a comprehensive and in-depth description of the most effective leadership and management practices that can be applied throughout a nonprofit organization. Contributions from luminaries such as John Bryson, Nancy Axelrod, and Peter Dobkin Hall, and the best of the new generation of leaders like Cynthia Massarsky. Order your copy today!

The Handbook of Nonprofit Governance

BoardSource 2010-04-16 The HANDBOOK OF NONPROFIT GOVERNANCE From BoardSource comes The Handbook of Nonprofit Governance. This comprehensive resource explores the over-archig question of governance within nonprofit organizations and addresses the roles, structures, and practices of an effective nonprofit. The Handbook of Nonprofit Governance covers the topics that are of most importance to those charged with creating and sustaining effective leadership, including building a board; succession planning; policies; financial oversight; fundraising; planning; strategic planning processes; risk management; and evaluation of the board, CEO, and organization. Praise for The Handbook of Nonprofit Governance "This is the first book I've found that covers the topic of governance from A to Z. I know what I'll be assigning the students in my governance class as a textbook next semester!" — TERRIE TEMKIN, founding principal, CoreStrategies for Nonprofits, Inc. "BoardSource has prepared an exceptional resource for nonprofit boards and leaders. This comprehensive volume offers timely and relevant information about board work and governance, including practical tools and resources that will be valuable to all types of nonprofits. " —DAVID O. RENZ, chair, department of public affairs, Beth K. Smith/Missouri Chair in Nonprofit Leadership; and director, Midwest Center for Nonprofit Leadership; University of Missouri, Kansas City “If you are involved in nonprofit organizations, and if you ever have doubts about how they are best run, this is the book for you-and BoardSource is the place to turn." — FISHER HOWE, consultant, Lavender/Howe & Associates, and author, The Nonprofit Leadership Team BoardSource (formerly the National Center for Nonprofit Organizations) is the premier resource for practical information, tools and best practices, training, and leadership development for board members of nonprofit organizations worldwide.

Financing Nonprofit Organizations

Ingo Garcia-Rodriguez 2020-01-23 The financial issues of nonprofit organizations (NPOs) have increased their importance in recent years, especially after the last global economic downturn. In this way, NPOs have been threatened by a reduction of income, while their work and expenses have not decreased. In this book, the editors bring together several topics that the academic literature has previously addressed, connecting them to each other and evaluating how all these issues are interrelated. Financing Nonprofit Organizations analyses the state of art of all these financial topics and the consequences of the last economic crisis. It dives into the interrelations of these concepts to suggest lines of future research and to reflect on the future of the different sources of funding of the NPOs. It will be of interest to students, practitioners, and researchers interested in initiating and updating their knowledge in the growing field of the financial aspects of the NPOs.

Cases in Nonprofit Management

Pat Libby 2016-01-29 Case Studies in Nonprofit Management by Pat Libby and Laura Deitrick consists of original cases that are designed to teach students how to think critically, hone their decision-making skills, and learn to apply leadership and management principles that are essential for any nonprofit professional. These case studies illustrate the multifaceted nature of the nonprofit management sector and bring concepts like nonprofit leadership, risk management, advocacy, and grant making to life.

The Little Book of Nonprofit Leadership

Erik Hanberg 2021-02-15 What does an Executive Director actually do? And how can you lead your organization to a stronger place?
