Hustling A Gentlemans Guide To The Fine Art Of Homosexual Prostitution

Hustling-John Preston 1997-03

A Consumer's Guide to Male Hustlers-Joseph Itiel 2014-02-25 A Consumer's Guide to Male Hustlers gives you exciting insight into all you ever wanted to know about hustlers but were too embarrassed to ask. You'll find answers to questions such as where and how to find hustlers, how much to pay them, and how to make it an experience that is satisfying to both parties. Author Joseph Itiel shares with readers his personal experiences and observations, describing his dealings with hustlers, over a period of about 35 years, in many different countries. Throughout A Consumer's Guide to Male Hustlers, Itiel narrates personal anecdotes, lending an intimate dimension to his general observations. He describes the hustler scene in the United States and abroad, dispelling many erroneous notions about hustlers by addressing such topics as: under what circumstances sex-for-money arrangements are exploitative (a comparison of male hustlers and female prostitutes) emotional involvement and control between clients and hustlers the notion that hustlers are only for the wealthy whether or not hustlers are likely carriers of sexually transmitted diseases whether or not it is dangerous to pick up hustlers why hustlers hustle the differences between street hustlers, models (or escorts), and masseurs legal issues associated with hustling regular sessions with hustlers as an emotional and libidinal sedative It is the contention of the author that hustlers are an under-used resource in the gay community, especially valuable to those with a vigorous sex appetite but no steady partner. This opportunity is often shunned because potential clients feel guilty about hiring hustlers. The author hopes that by reading this book, you will come to understand that the hustler experience, meeting with hustlers regularly, can be mutually exciting and satisfying for both parties.

Secret Historian-Justin Spring 2010-08-17 Drawn from the secret, never-before-seen diaries, journals, and sexual records of the novelist, poet, and university professor Samuel M. Steward, Secret Historian is a sensational reconstruction of one of the more extraordinary hidden lives of the twentieth century. An intimate friend of Gertrude Stein, Alice B. Toklas, and Thornton Wilder, Steward maintained a secret sex life from childhood on, and documented these experiences in brilliantly vivid (and often very funny) detail. After leaving the world of academe to become Phil Sparrow, a tattoo artist on Chicago's notorious South State Street, Steward worked closely with Alfred Kinsey on his landmark sex research. During the early 1960s, Steward changed his name and identity once again, this time to write exceptionally literate, upbeat pro-homosexual pornography under the name of Phil Andros. Until today he has been known only as Phil Sparrow—but an extraordinary archive of his papers, lost since his death in 1993, has provided Justin Spring with the material for an exceptionally compassionate and brilliantly illuminating life-and-times biography. More than merely the story of one remarkable man, Secret Historian is a moving portrait of homosexual life long before Stonewall and gay liberation. Secret Historian is a 2010 National Book Award Finalist for Nonfiction.

The Routledge Dictionary of Modern American Slang and Unconventional English-Tom Dalzell 2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern, post WW2 American Slang. The 25,000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature, newspapers, magazines, movies, television shows, musical lyrics, and Internet user groups. Etymology, cultural context, country of origin and the date the word was first used are also provided. In terms of content, the cultural transformations since 1945 are astounding. Television, computers, drugs, music, unpopular wars, youth movements, changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language. This new edition includes over 500 new headwords collected with citations from the last five years, a period of immense change in the English language, as well as revised existing entries with new dating and citations. No term is excluded on the grounds that it might be considered offensive as a racial, ethnic, religious, sexual or any kind of slur. This dictionary contains many entries and citations that will, and should, offend. Rich, scholarly and informative, The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers, lexicographers and translators.

Policing Public Sex-Dangerous Bedfellows Eds 1996 As some activists have turned to regulation rather than education in the effort to curb the AIDS epidemic, the public culture at the foundation of queer culture has come under attack.

Our Caribbean-Thomas Glave 2008 The first book of its kind, Our Caribbean is an anthology of lesbian and gay writing from across the Antilles. The author and activist Thomas Glave has gathered outstanding fiction, nonfiction, memoir, and poetry by little-known writers together with selections by internationally celebrated figures such as José Alcántara Almázar, Reinaldo Arenas, Dionne Brand, Michelle Cliff, Audre Lorde, Achy Obejas, and Assotto Saint. The result is an unprecedented literary conversation on gay, lesbian, bisexual, and transgendered experiences throughout the Caribbean and its far-flung diaspora. Many selections were originally published in Spanish, Dutch, or creole languages; some are translated into English here for the first time. The thirty-seven authors hail from the Bahamas,
Barbados, Cuba, the Dominican Republic, Grenada, Guyana, Haiti, Jamaica, Panama, Puerto Rico, St. Vincent, St. Kitts, Suriname, and Trinidad. Many have lived outside the Caribbean, and their writing depicts histories of voluntary migration as well as exile from repressive governments, communities, and families. Many pieces have a political urgency that reflects their authors’ work as activists, teachers, community organizers, and performers. Desire confluences with ostracism and alienation throughout: in the evocative portrayals of same-sex love and longing, and in the selections addressing religion, family, race, and class. From the poem “Saturday Night in San Juan with the Right Sailors” to the poignant narrative “We Came All the Way from Cuba So You Could Dress Like This?” to an eloquent call for the embrace of difference that appeared in the Nassau Daily Tribune on the eve of an anti-gay protest, Our Caribbean is a brave and necessary book. Hustling, Happiness, and a Blow-up Doll Named Percy—Dale Hefer 2021-05-05 A compelling, diverse, and often bizarre array of anecdotes that will help you navigate your business and personal lives in this most peculiar of worlds. What do the knees of a deputy president, a flatulent rescue dog, a model with big nipples, and a purple mullet have in common? They all taught the author valuable life lessons! Hustling, Happiness, and a Blow-Up Doll Named Percy tells moving personal stories from Dale Hefer’s life. From her award-winning marketing career to her journey to sobriety, Dale provides key life lessons and essential business tips for new and seasoned professionals – and anyone looking for a fresh and positive start. Using humorous stories of her real-life experiences – for example, why everyone needs a blow-up doll named ‘Percy’ – Dale demonstrates how to navigate this strange world so that you, too, can find your own brand of happiness.

Nobody Passes—Matt Bernstein Sycamore 2010-01-08 Nobody Passes is a collection of essays that confronts and challenges the very notion of belonging. By examining the perilous intersections of identity, categorization, and community, contributors challenge societal mores and countercultural norms. Nobody Passes explores and critiques the various systems of power seen (or not seen) in the act of “passing.” In a pass-fail situation, standards for acceptance may vary, but somebody always gets trampled on. This anthology seeks to eliminate the pressure to pass and thereby unearth the delicious and devastating opportunities for transformation that might create. Mattilda, aka Matt Bernstein Sycamore, has a history of editing anthologies based on brazen nonconformity and gender defiance. Mattilda sets out to ask the question, “What lies are people forced to tell in order to gain acceptance as ‘real’?” The answers are as varied as the life experiences of the writers who tackle this urgent and essential topic.

Love for Sale—Nils Johan Ringdal 2007-12-01 “[An] enlightening and entertaining . . . survey of the world’s oldest profession” from the Whore of Babylon to the modern sex-worker movement (Kirkus Reviews). From Eve and Lilith to Julia Roberts in Pretty Woman, the prostitute has been both a target of scorn and a catalyst for social change. In Love for Sale, cultural historian Nils Johan Ringdal delivers an authoritative and engaging history of this most maligned, yet globally ubiquitous, form of human commerce. Beginning with the epic of Gilgamesh, the Old Testament, and ancient cultures from Asia to the Mediterranean, Ringdal considers the varying way societies have dealt with and thought about prostitutes through history. He discusses how they were included in the priestess class in ancient Greece and Rome; how the rise of the courtesan in nineteenth-century Europe shaped literature, fashion, the arts, and modern sensibilities. He uncovers the first manuals on the art of sex and seduction, the British Empire’s campaigns against prostitution in India, and stories of the Japanese “comfort women” who served the armies in the Pacific theater of World War II. Ringdal closes with the rise of the sex-workers’ rights movement and ‘sex-positive’ feminism, and a realistic look at the true risks and rewards of prostitution in the present day. Recalling Camille Paglia’s Sexual Personae with its broad sweep across centuries and continents, Love for Sale “uses [its] subject as a springboard for exploring the ever-changing notions of love, sexual identity, morality and gender among various cultures” (Nan Goldberg, Newark Sunday Star-Ledger).

Hustling Hitler—Walter Shapiro 2016 Vaudeville manager, boxing promoter, stock swindler and card shark Freeman Bernstein was no stranger to the law. But the charges he was arrested for in 1937 were more serious than those he had ever encountered before. The most powerful and feared man in the world - Adolf Hitler - claimed that Bernstein had committed fraud against the German government. In this fascinating and colourful book, Bernstein's great nephew discovers that this New York Jew may indeed have been responsible for a critical shortage of Nazi resources in the early years of WWII.

Hustling—John Preston 1994

Virgin Territory—Shar Rednour 1996 "An anthology of writing by women about their first-time erotic experiences with other women. From the longings and ecstasies of awakening dykes to the sometimes awkward pleasures of sexual experimentation on the edge, each of these true stories reveals a different, radical perspective on one of the most traditional subjects around: virginity. The writers-as-sexual-pioneers in this collection focus on the pleasures of exploring this unfamiliar, intimate terrain while searching for-- and perhaps discovering--the truth about the truth about their own desires and boundaries. This important collection promises to boldly challenge popular accounts of women's sexual identities and experiences with other women--and define erotic and literary territory that has been, until now, uncharted." -- Publisher's description.

Hustle Harder, Hustle Smarter—Curtis "50 Cent" Jackson 2020-04-28 For the first time, Curtis "50 Cent" Jackson opens up about his amazing comeback—from tragic personal loss to thriving businessman and cable’s highest-paid executive—in this unique self-help guide, his first since his blockbuster New York Times bestseller The 50th Law. In his early twenties Curtis Jackson, known as 50 Cent rose to the heights of fame and power in the cutthroat music business. A decade ago the multi-platinum selling rap artist decided to pivot. His ability to adapt to change was demonstrated when he became the executive producer and star of Power, a high-octane, gripping crime drama centered around a drug kingpin’s family. The series quickly became “appointment” television, leading to Jackson inking a four-year, $150 million contract with the Starz network—the most lucrative deal in premium cable history. Now, in his most personal book, Jackson shakes up the self-help category with his unique, cutting-edge lessons and hard-learned advice on embracing change. Where The 50th Law tells readers “fear nothing and you shall succeed,” Hustle Harder, Hustle Smarter builds on this message, combining it with Jackson’s street smarts and hard-learned corporate savvy to help readers successfully achieve their own comeback—and to learn to flow with the changes that disrupt their own lives.

**How to Hustle and Win**

Likened to a 48 Laws of Power for young Black men, this book presents Black biographies, history, and current events in a language that the Hip-Hop generation will understand and relate to. Each story or essay is framed within the context of a life lesson, each one being of vital importance to the survival, redemption, and ultimate success of our dying Black generation. Both the positive and negative sides of the Black experience are explored in detail, from the lives of infamous drug dealers and pimps to the exploits of Black revolutionaries and activists. In addition, several How To sections outline simple strategies for self-development. Packed with useful information, from the best way to handle confrontations with police, to the continuing relevance of the 1919 race riots, this book has been compared to an urban Encyclopedia Africana. Others have called it a Blueprint for Black Power for a generation struggling with materialism and short attention spans. This book is guaranteed to change the world by changing the way millions of people think and live. In How to Hustle and Win, author Supreme Understanding tells, in often graphic detail, stories like that of the infamous Philadelphia Black Mafia, Harlem’s heroin kingpin Frank Lucas, and former gang leader Stanley “Tookie” Williams. In between and throughout these tales, he weaves life lessons and guidance, turning sordid stories of crime and urban despair into an educational experience. Whereas Robert Greene’s bestselling 48 Laws of Power used iconic figures from classical history to illustrate the guidelines for personal success, How to Hustle and Win is filled with the exploits of rappers, gangsters, radicals, and revolutionaries. This is a new kind of Black history book, and its intent is the motivation and achievement of a new kind of reader. Although today’s literary market has seen an influx of self-help books attending to a variety of issues, few books have attempted to address the concerns of young Black men, struggling to find direction. It is this group that author Supreme Understanding names as one of most troubled demographics in American society today. On the book’s website, the author comments: “Unfortunately, few authors actively target this audience, and those who do are either not speaking their language, or not interested in pushing for change. This is why How to Hustle and Win was written. This book will change the minds of millions of young men of color, and by doing this, it will ultimately change the world.” Revolutionary aspirations aside, How to Hustle and Win’s groundbreaking concept results in a truly appealing work. Its essays are delivered in short bursts, none of them over four pages long, making it ideal for struggling readers and those with shorter attention spans. At the same time, the book is filled with a wealth of information that would enlighten educated readers equally. In fact, the author juxtaposes his own personal tales of early delinquency and misdirection with his later years of professional success, including obtaining a doctorate in education at the age of 26.
