The Baby Thief-Barbara Bisantz Raymond 2009-04-29 For almost three decades, renowned baby-seller Georgia Tann ran a children's home in Memphis, Tennessee — selling her charges to wealthy clients nationwide, Joan Crawford among them. Part social history, part detective story, part expose, *The Baby Thief* is a riveting investigative narrative that explores themes that continue to reverberate today.

Before and After-Judy Christie 2021-02-02 Originally published in hardcover in 2019 by Ballantine Books.

Adoption Nation-Adam Pertman 2011 In this revised edition of Adam Pertman's award-winning book, first published in 2000, readers will find updated information on every aspect of adoption and its changing role in American society. Pertman, a Pulitzer Prize-nominated journalist and father of two adopted children, offers an unflinching study of adoption policy and processes.

The Foundling-Paul Joseph Fronczak 2017-04-04 This is the inspiring and “page-turning” (Booklist) true story of Paul Fronczak, a man who recently discovered that he had been kidnapped as a baby—and how his quest to find out who he really is upturned the genealogy industry, his own family, and set in motion the second longest cold-case in US history. In 1964, a woman pretending to be a nurse kidnapped an infant boy named Paul Fronczak from a Chicago hospital. Two years later, police found a boy abandoned outside a variety store in New Jersey. The FBI tracked down Dora Fronczak, the kidnapped infant’s mother, and she identified the abandoned boy as her son. The family spent the next fifty years believing they were whole again—but Paul was always unsure about his true identity. Then, four years ago—spurred on by the birth of his first child, Emma Faith—Paul took a DNA test. The test revealed that he was definitely not Paul Fronczak. From that moment on, Paul has been on a tireless mission to find the man whose life he’s been living—and to discover who abandoned him, and why. Poignant and inspiring, *The Foundling* is a story about a child lost and a faith found, about the permanence of families and the bloodlines that define you, and about the emotional toll of both losing your identity and rediscovering

who you truly are.

The Baby Scoop Era-Karen Wilson-Buterbaugh 2017-06-30 An expose of unethical and coercive adoption industry practices during a short period in American history known as the Baby Scoop Era (Post WWII - 1972). By sharing the actual printed words of social caseworkers, maternity home personnel, lawyers, judges, medical and mental health practitioners, the methods used to ensure that "unwed" mothers would surrender their babies to mostly infertile strangers will be revealed. These crimes against nature resulted in more than 1.5 million vulnerable new mothers being permanently separated from newborns that they might have parented had they been informed of their civil, legal, human and Constitutional rights.

The Delaney Kids-John Standridge 2010-01-08 The Delaney Kids: Bought and Paid For is the documentary of a personal journey of discovery - the discovery of family, of a culture, and of self. This is the heart rending tale of three siblings who were separated by a black market baby ring that, operating under state sanction as the Tennessee Children's Home Society, stole and sold more than five thousand babies from impoverished families. This is the heart warming tale of how these three siblings found each other after fifty years. This true story examines nature versus nurture, asks the big questions about the meaning of life and death, and explores what it means to turn Irish. The Delaney Kids is essential reading for anyone interested in adoption, in Southern history, in the Irish experience in America, in existential discovery, and especially for anyone who has a heart.

My Secret-Joanne Sayre 2016-04-08 What if you found out that you were adopted and everything you thought you knew about your family, your security, was shattered? My Secret is about my 40 year quest for truth about who I am. But, more than that, this story is about overcoming seemingly insurmountable obstacles to achieve a goal. My book begins when I was 7 and my 10 year-old male cousin proclaimed, "I don't have to be nice to you 'cause you're really not my cousin anyways. You're ADOPTED." I confronted my narcissistic mother with my revelation and she became furious. I soon learned that I was different, less than, and not to speak of it again. I was born in 1952 and began my search in 1973 when I turned 21. My undaunted determination led me from private detectives, online sources and social agencies to covert missions like trying to collect an aunt's DNA sample at a family gathering. The hospital in Philadelphia, PA, where I was born was torn down and all birth records before 1964 destroyed. I have no original birth certificate on file. There were rumors, innuendos, false leads and small steps forward and backward. This is a true story and I believe readers will be drawn in by the intimacy of the journey. There are many books available on adoption, but I believe my book to be unique. There is a happy ending. Before any journey begins, one must be prepared to find the truth.
