

Intro To Business Workbook Answers

Create a new workbook - support.microsoft.com

A workbook is a file that contains one or more worksheets to help you organize data. You can create a new workbook from a blank workbook or a template. By default, a new workbook contains three worksheets, but you can change the number of worksheets that you want a new workbook to contain. You can also add and remove worksheets as needed.

Task Based Learning Activities | Intro to Task-Based

A nice activity to include in a task-based lesson plan is a role play. This is particularly true if your students are studying English for a specific purpose (travel, medical or business English, etc.). The task is that students have to accomplish a certain thing. For example: Ask if a hotel has rooms available and find out how much it costs

Ebook - Wikipedia

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.
