The message of this popular book, in its seventeenth printing since first publication in 1985, is that we are not alone. We are surrounded at all times by love and support. The aim of author Iris Belhayes, who in the year 2000 passed into the world of spirit, was and is to help readers find their way back "home" to the love which is there whenever we choose to experience it. In this book, Iris shared what she learned from Enid, a spirit guide who communicated with her over a period of many years. Enid's explanation of the roles of spirit guides and spirit families in our lives is one of hope, of joy and of reassurance. In this exciting view of the cosmos, all of us seek experience above all-and all experiences contribute to the world. There are no monsters, no demons, no evil creatures, except those we conceptualize and create in our own minds and imaginations. This inspirational and uplifting book can be read on two levels. One level assumes spirit guides are actual entities from the other side. The other level considers guides our own inner wisdom. Like the many-layered universe she discusses, the approach of Iris Belhayes was very rich and can be viewed from several perspectives. But all
viewpoints communicated a vision that is full of hope, love and affirmation. Iris and Enid explain how each of us organizes our life according to a preset game plan that we freely choose! Our spirit guides and spirit families provide support and reassurance in helping us live out that game plan and have the many varied experiences we seek. Besides offering a sense of meaning and purpose, the author presents techniques for getting in touch with your own spirit guides. Her message is one of strength and power. She encourages readers to go beyond what they think they see and experience physically to what she calls Real Reality, which is multidimensional. She discusses some of the other levels of reality and other beings which exist, and offers instructions for how we can go beyond our "physical universe trance states" to even higher levels of consciousness and understanding. If you are ready to expand your boundaries of what is possible, this is the book for you!

**Spirit Guide Contact Through Hypnosis**-Bruce Goldberg 2005-01-01 Contacting spirit guides is as old as civilization itself. Shamans dating back to at least 50,000 B.C. ritualistically contacted nonphysical entities. The Mystery Schools of Ancient Egypt, Greece, Persia, Rome, and India also dealt with contacting spirit guides. Every major religion acknowledges the reality of discarnate entities or spirits, whether they are called saints, angels, the Holy Spirit, and so on. One of the purposes of this book is to demystify this process. The media’s depiction of spirit contact has led to the false assumption that anyone who establishes this contact must be in great danger. In reality, this communication is natural, relatively simple, and a wonderful growth experience. Spirit communication removes the fear of death and bereavement, and results in a form of spiritual empowerment. Contacting your spirit guides can help us: Develop your intuition and other psychic abilities. Increase your ability to love yourself and others. Become more aware of the workings of the universe. Establish better contact with your own Masters and Guides and Higher Self to facilitate your own spiritual evolution. Protect you from negative entities and/or other forces in the universe. Access the wisdom of the ancients. Establish and maintain your own physical, mental, emotional, and spiritual health. Overcome bad habits and fears. Eliminate the fear of death. See into the future. Master the art of out-of-body experiences. Learn your true karmic purpose. Spirit Guide Contact Through Hypnosis includes free audio companion downloads.

This is a clear and thoughtful introduction to building relationships with your spirit guides. It shows readers how helpful spirit guides and angels can be in everything from the simplest to the most challenging of life decisions and how easy they are to connect with, too. Our spirit guides help us to: Fulfill our purpose Make decisions that will move us forward faster Stop sabotaging ourselves as well as judging ourselves and everyone else Remember that we are more than our job or house or relationship See ourselves as beautiful and everything in life as a gift Give ourselves and everybody else a break Keep growing until the day we leave our bodies behind Go beyond the life we hoped for and onto the life we never even imagined And they do all of these things when we're ready and not a nanosecond before. They also often come quietly. As the author states: "If we expect help from Spirit to arrive with the sound of trumpets and

Shapiro, author of Wisdom of the Jewish Sages A complete guide for readers of any religion, Extraordinary Guidance teaches how to contact the spiritual guides that watch over every soul and apply their wisdom for practical results in your everyday life as well as for a richer spiritual life. In the late 1980s, channeling was the popular way to receive spiritual guidance. In the early '90s, angels became accessible. Now we know we can go directly to the source—to the spiritual guides themselves—and Liza Wiemer reveals how everyone can contact his or her own spiritual guides for invaluable life guidance. Extraordinary Guidance explains what spiritual guides are and provides easy and effective step-by-step instructions for connecting with them, including how to get in the right state of mind to talk with these powers that guide us. Through examples and personal anecdotes of her own spiritual guide, Wil, Wiemer shows how the discovery of the wisdom within enables people to make positive changes in their lives and help others to do the same, and, ultimately, to work toward bridging the gap between the spiritual and physical worlds.

**How to Find Your Spirit Animal** - David Carson 2014-10-16 Early humans recognized a profound and spiritual kinship with other species. Hunters gave thanks and even apologies to their prey. And when shamans made their inner journeys between human and spirit realms to bring back healing wisdom they applied on behalf of the tribe, animals often served as their guides and their companions. In more recent times the idea of the animal daemon has been popularized by Philip Pullman in his internationally bestselling trilogy of novels, His Dark Materials. This illuminating book explains how to connect with and channel the unique powers of 50 different spirit animals - a menagerie of creatures, from the wise owl and crafty fox to the tranquil turtle and bold lion. Each entry provides a detailed description of the animal's personality, mythology and innate powers. Helpful text provides readers with clues and meditations for discovering their own spirit animal, as well as information on how other animals can be called on to help with specific aims - from overcoming fear to finding your true destiny. This book is the perfect primer for those seeking access to the wisdom of the animal kingdom.
