

Return Of The Rishi A Doctors Story Of Spiritual Transformation And Ayurvedic Healing

Return Of The Rishi

Return of the Rishi-Deepak Chopra 1991

Return Of The Rishi

Return of the Rishi-Deepak Chopra 1991 The author recounts his medical career, describes his introduction to Ayurvedic medicine, and shares his views on health and healing

Return Of The Rishi

Rishi-Bruce Robert Jenkinson 2011-06-08 The author is a native of the West Coast in the United States, getting a start in life in the San Francisco Bay Area. His early years included a multitude of outdoor activities including fishing, mountaineering, rock climbing, and years of work with the National Park Service as a backcountry ranger. Ever since receiving a master’s degree in biology in the 1970s, the author has been heavily involved with the commercial fishing industry, primarily in Alaska. Along the way, however,his career in fisheries has allowed him to accept long-term overseas work assignments in the Soviet Union, the Sultanate of Oman,and in India. In 1979, the author again packed his well-used rucksack and headed off to Nepal and India where, in part, he completed a trek through the Himalayan highlands in the same areas largely described in this book. It was there in those oxygen-deprived mountain valleys that the author first laid plans to write a book whose main character would ultimately be Rishi as described in the present book. The author found himself continuously asking the question, “What would happen if a new age Messiah would visit the earth today?” And more interestingly, the author queried himself, “What would happen if that modern-day Messiah was neither white nor Christian?” This book, Rishi - the Misunderstood Messiah, attempts to provide one potential answer as to what could take place under the above scenario.

Timeless Leadership-Debashis Chatterjee 2012-05-11 The timeless leadership wisdom of the Bhagavad Gita explained Although it was written well over two thousand years ago, the Bhagavad Gita (“Song of God”), a revered Hindu religious text, contains an immense wealth of ageless wisdom that speaks directly to the needs of today’s business leaders. Timeless Leadership takes this unlikely resource and teases out important lessons on 18 aspects of leadership, from commercial vision to motivation, decision-making, and planning. Looking in detail at what the Gita has to say about these and other issues of interest to business professionals, Timeless Leadership focuses on one central point: that once the basic thought process of man is improved, the quality of his actions will improve as well, leading to better results. Uses an ancient religious text to highlight and explain key Western management concepts Explores the leadership ideas in the Bhagavad Gita and helps managers and leaders apply them to modern business life Weaves together the threads of wisdom from the Gita to shed light on issues and challenges for leaders at all levels Covering teachings and ideas that have only got better with time, Timeless Leadership adapts the wisdom of millennia past for today’s business leaders.

Return Of The Rishi

Guru English-Srinivas Aravamudan 2011-06-27 Guru English is a bold reconceptualization of the scope and meaning of cosmopolitanism, examining the language of South Asian religiosity as it has flourished both inside and outside of its original context for the past two hundred years. The book surveys a specific set of religious vocabularies from South Asia that, Aravamudan argues, launches a different kind of cosmopolitanism into global use. Using “Guru English” as a tagline for the globalizing idiom that has grown up around these religions, Aravamudan traces the diffusion and transformation of South Asian religious discourses as they shuttled between East and West through English-language use. The book demonstrates that cosmopolitanism is not just a secular Western “discourse that results from a disenchantment with religion, but something that can also be refashioned from South Asian religion when these materials are put into dialogue with contemporary social move-ments and literary texts. Aravamudan looks at “religious forms of neoclassicism, nationalism, Romanticism, postmodernism, and nuclear millenarianism, bringing together figures such as Swami Vivekananda, Sri Aurobindo, Mahatma Gandhi, and Deepak Chopra with Rudyard Kipling, James Joyce, Robert Oppenheimer, and Salman Rushdie. Guru English analyzes writers and gurus, literary texts and religious movements, and the political uses of religion alongside the literary expressions of religious teachers, showing the cosmopolitan interconnections between the Indian subcontinent, the British Empire, and the American New Age.

The Politics of Healing-Robert D. Johnston 2004-06-01 First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Return Of The Rishi

DISCOURSES ON SHRIMAD BHAGAVATA (Conto 9 to 12)-Swami Tejomayananda 2018-03-21 Shrimad Bhagavat is renowned as one of the greatest compositions in Sanskrit Literature. The 18th Purana composed by Maharishi Veda-Vyasa, it stands unparalleled in its distinct and resplendent exaltation of devotion to God, revealing throughout the quintessence of Vedantic teachings. Masterfully profound and delightfully enchanting, Shrimad Bhagavat abounds in work-paintings of the supreme Lord’s wondrous and endearing avatars, divine sports and devotees - paintings that kindle, intensity and establish devotion in one’s heart. This spring of devotion leads one to satsang, to the Guru and to teachings that unveil one’s essential nature of Brahman.

Return Of The Rishi

Return Of The Aryans-Bhagwan Gidwani 2000-10-14 A sweeping saga of ancient india Return of the Aryans tells the epic story of the Aryans – a gripping tale of kings and poets, seers and gods, battles and romance and the rise and fall of civilizations. In a remarkable feat of the imagination, Bhagwan S. Gidwani takes us back to the dawn of mankind (8000 BC) to recreate the world of the Aryans. He tells us why the Aryans left India, their native land, for foreign shores and shows us their triumphal return to their homeland.. Vast and absorbing, the novel tells the stories of characters like the gentle god, Sindhu Putra, spreading his message of love; the physician sage Dhanawantar and his wife Dhanawantari; peaceloving Kashi after whom the holy city of Varanasi is named; and Nila who gave her name to the river Nile... Richly textured and with a cast of thousands, the epic adventure of the Aryans come gloriously alive in the hands of the bestselling author of The Sword of Tipu Sultan.

Return Of The Rishi

Creating Health-Deepak Chopra 1995-09 Dr. Chopra has revised his groundbreaking book about the healing power of the mind for the people who are turning to alternative methods of health care as a result of the crisis in traditional care. Based on Dr. Chopra's recent work and new perspectives, this book includes the techniques of mindfulness meditation, a simple but powerful form of breath-focused meditation.

Return Of The Rishi

Rishis & Rishikas-Prof. Shrikant Prasoon 2009-09-03 Know the Rishis and RishikĀ s, the early creations and their descendants, the wise men and women of the unknown and unfathomable eons, that were the embodiments of knowledge and sublimity, purity and humanity and compassion and humility. They were great scientists, discoverers, and research guides; and inventors of food-grain to fruits and flowers; of ploughs and yoke to ĀcYurveda and herbal medicines; from boats and ships to road-transports and planes; of everything that we possess today, from celestial bodies to metaphysics, geometry, trigonometry, algebra and photography, and numerous other things. We are proud of them and their gifts. Know the Rishis and RishikĀ s that knew and taught all about the earth and universe; planets and constellation; climate, seasons and meteorology, clouds, rain, water, fire, space and soil. They gave us the ways of constructing huts and Ā shramas to temples and palaces, and made us know the physical body and spiritual self, the outer reality and the inner truth, and taught us the ways of health, wealth, peace, pleasure and prosperity.

Return Of The Rishi

Bad Medicine-Christopher Wanjek 2003-04-07 "Christopher Wanjek uses a take-no-prisoners approach in debunkingthe outrageous nonsense being heaped on a gullible public in the name of science and medicine. Wanjek writes with clarity, humor,and humanity, and simultaneously informs and entertains." -Dr. Michael Shermer, Publisher, Skeptic magazine; monthlycolumnist, Scientific American; author of Why People Believe WeirdThings Prehistoric humans believed cedar ashes and incantations could curea head injury. Ancient Egyptians believed the heart was the centerof thought, the liver produced blood, and the brain cooled thebody. The ancient Greek physician Hippocrates was a big fan ofbloodletting. Today, we are still plagued by countless medicalmyths and misconceptions. Bad Medicine sets the record straight bydebunking widely held yet incorrect notions of how the body works,from cold cures to vaccination fears. Clear, accessible, and highly entertaining, Bad Medicine dispelssuch medical convictions as: * You only use 10% of your brain: CAT, PET, and MRI scans all provethat there are no inactive regions of the brain . . . not evenduring sleep. * Sitting too close to the TV causes nearsightedness: Your motherwas wrong. Most likely, an already nearsighted child sits close tosee better. * Eating junk food will make your face break out: Acne is caused bydead skin cells, hormones, and bacteria, not from a pizza witheverything on it. * If you don't dress warmly, you'll catch a cold: Cold viruses arethe true and only cause of colds. Protect yourself and the ones you love from bad medicine-the brainy save may be your own.

Return Of The Rishi

When Dimple Met Rishi-Sandhya Menon 2021-02-09 The inspiration for the Netflix original series Mismatched! Everyone is talking about this New York Times bestselling rom-com that Mindy Kaling called “utterly charming!” Eleanor & Park meets Bollywood in this hilarious and heartfelt novel about two Indian-American teens whose parents conspire to arrange their marriage. Dimple Shah has it all figured out. With graduation behind her, she’s more than ready for a break from her family, from Mamma’s inexplicable obsession with her finding the “Ideal Indian Husband.” Ugh. Dimple knows they must respect her principles on some level, though. If they truly believed she needed a husband right now, they wouldn’t have paid for her to attend a summer program for aspiring web developers...right? Rishi Patel is a hopeless romantic. So when his parents tell him that his future wife will be attending the same summer program as him—wherein he’ll have to woo her—he’s totally on board. Because as silly as it sounds to most people in his life, Rishi wants to be arranged, believes in the power of tradition, stability, and being a part of something much bigger than himself. The Shahs and Patels didn’t mean to start turning the wheels on this “suggested arrangement” so early in their children’s lives, but when they noticed them both gravitate toward the same summer program, they figured, Why not? Dimple and Rishi may think they have each other figured out. But when opposites clash, love works hard to prove itself in the most unexpected ways.

Return Of The Rishi

Principles of Managerial Finance-Lawrence J Gitman 2015-05-20 Once again, Principles of Managerial Finance brings you a user friendly text with strong pedagogical features and an easy-to-understand writing style. The new edition continues to provide a proven learning system that integrates pedagogy with concepts and practical applications, making it the perfect learning tool for today’s students. The book concentrates on the concepts, techniques and practices that are needed to make key financial decisions in an increasingly competitive business environment. Not only does this text provide a strong basis for further studies of Managerial Finance, but it also incorporates a personal finance perspective. The effect is that students gain a greater understanding of finance as a whole and how it affects their day-to-day lives; it answers the question “Why does finance matter to ME?” By providing a balance of managerial and personal finance perspectives, clear exposition, comprehensive content, and a broad range of support resources, Principles of Managerial Finance will continue to be the preferred choice for many introductory finance courses.

Return Of The Rishi

The Bollywood Reader-Dudrah, Rajinder 2008-10-01 Provides a road map of the scholarship on modern Hindi cinema in India, with an emphasis on understanding the interplay between cinema and colonialism, nationalism, and globalization. This book attends to issues of capitalism, nationalism, orientalism, and modernity through understandings of race, gender and sexuality, religion, and politics.

Return Of The Rishi

Hinduism-Roshen Dalal 2010 Hinduism is one of the world’s oldest religions; an amalgam of diverse beliefs and schools, it originates in the Vedas and is rooted in Indian culture. Hinduism: An Alphabetical Guide illuminates complex philosophical concepts through lucid definitions, a historical perspective and incisive analyses. It examines various aspects of Hinduism, covering festivals and rituals, gods and goddesses, philosophers, memorials, aesthetics, and sacred plants and animals. The author also explores pivotal ideas, including moksha, karma, dharma and samsara, and details the diverse commentaries on the Bhagavad Gita and other important texts. Citing extensively from the regional languages, the book describes Hinduism’s innumerable myths and legends, and looks at the many versions of texts including the Ramayana and Mahabharata, placing each entry in its historical context and tracing its evolution to the present.

Return Of The Rishi

Imagining Kashmir-Patrick Colm Hogan 2016-08-01 During the 1947 partition of the Indian subcontinent, Kashmir–a Muslim-majority area ruled by a Hindu maharaja–became a hotly disputed territory. Divided between India and Pakistan, the region has been the focus of international wars and the theater of political and military struggles for self-determination. The result has been great human suffering within the state, with political implications extending globally. Imagining Kashmir examines cinematic and literary imaginings of the Kashmir region’s conflicts and diverse citizenship, analyzing a wide range of narratives from writers and directors such as Salman Rushdie, Bharat Wakhlu, Mani Ratnam, and Mirza Waheed in conjunction with research in psychology, cognitive science, and social neuroscience. In this innovative study, Patrick Colm Hogan’s historical and cultural analysis of Kashmir advances theories of narrative, colonialism, and their corresponding ideologies in relation to the cognitive and affective operations of identity. Hogan considers how narrative organizes people’s understanding of, and emotions about, real political situations and the ways in which such situations in turn influence cultural narratives, not only in Kashmir but around the world.

Return Of The Rishi

From Frustration to Fulfillment-Swami Sukhabodhananda 2018-08-30 INSPIRATIONAL INSIGHTS FROM INDIA’S RICH SPIRITUAL LITERATURE Mind liberation is a process of unwinding through unlearning. A free mind is inclusive and absorbs more when in a liberated state. On the other hand, a tense mind has limited space for anything new. It clings to dogmas and detests change. Unless you learn to let go, you’ll experience shrinkage of mind space—in short, frustration. This is where the importance of spirituality comes in. Spirituality blends philosophy and psychology. Cutting across religious boundaries, you’ll find that there’s common groundin spiritual literature to inspire and lift your spirits when the chips are down. In this book, the author has included case studies drawn from real-life work situations to help you through experience simulation. Come and discover the ways to transform frustration into fulfillment! From Frustration to Fulfillment is a complete recipe for corporate and family management. SWAMI SUKHABODHANANDA is the founder chairman of Prasanna Trust. Swamiji is not only one of the most respected spiritual leaders of the country but is also popularly known as ‘the Corporate Guru’ among his followers. His expertise lies in synthesising the ancient wisdom of the East with the modern vision of the West. He appeals to both young and old, across a wide spectrum of society.

Return Of The Rishi

Sattva Rajas Tamas : Legend of Kanishka, The Commoner-King and His Crusade of Faith-Vivek Wagle 2019-11-08 Circa 800 BC: Merit or birth? Meritocracy or dynastic monarchy? King Sarthak of the mighty kingdom of Manukeshwar faces this great dilemma in naming his successor. The contenders to the throne are the upright and virtuous Kanishka, son of a learned Rishi, and his own firstborn, the selfish and arrogant Prince Jaivant. Breaking centuries of oppressive tradition, the King names the valorous commoner as heir. Humiliated and aggrieved, Jaivant bides his time. Using age-old deceit and treachery, he succeeds in usurping the throne. But he does not anticipate the resolve of the ascetic warrior. The stage is set for a mighty struggle. Through an interlinked web of events and emotion, through love, envy, deceit and romance, the book tells the story of a crusade to restore dharma in a kingdom afflicted by despotic dynastic rule. Sattva Rajas Tamas is the story of powerful opposing forces. It is also the tale of a man’s remarkable resolve to keep fighting for truth and justice, to never give up. The ancient tale has disconcerting parallels in our modern times. Though the times have changed, the conflict between dharma and adharma has not.

Return Of The Rishi

Bhishma an Enigma-Umesh Kotru, Ashutosh Zutshi 2017-12-08 The pedigree of being a demi-god in his previous life and the scion of the foremost dynasty in the Aryavarta should have ensured a smooth life for Prince Devavrata. But, it was not to be. His upbringing by Goddess Ganga herself and training under the best Gurus of his time could not change his destiny in any way. His struggle to keep his dynasty afloat lasted his entire lifetime. Despite repeated counselling from his mother, Vedvyasa and Vidura, among many others, the feeling of having failed in his primary mission of protecting the Kuru dynasty haunted him even on his bed of arrows. Although he was revered and simultaneously feared as Bhishma, he spent his entire life in a struggle to resolve his internal as well as external turmoil. Like ordinary mortals, it seems that the extensive knowledge of scriptures gained from his guru Maharishi Vasishtha did not, in any way, help him in overcoming his miseries. Bhishma would have been known only as a great warrior and someone who resolutely stood by his word, had it not been for the grace of Sri Krishna which brought forth the other facet of his personality of being a Brahmagyani. That enabled him to address all queries of Yudhishtira, lying as he was on the bed of arrows, before his departure from this world.

Return Of The Rishi

Return Of The Rishi

The Veil-Minal Arora and Kirti Dixit Narang 2019-11-08 The Veil is a collection of beautiful soul stirring stories that are inspired by the past lives revealed by Minal Arora’s clients in their past life regression sessions. Each story takes the reader through a heart warming experience with intimate details of how their lives progressed through the situations they faced, unfolding profound journeys led back in time. At the end of each story, Minal shares how that lifetime was linked to their current life and how the experience helped them go past a situation in this life. The stories have themes revolving around love, soulmate relationships, war, loss, reunion, spirituality, mythology and parenting, all interwoven into a rhythm that echoes the eternity and wholeness of this moment, the way it is. The book also boasts of some very ethereal poetry by Kirti Narang where she conveys the state of being of the client as they traversed their journey through those lifetimes, adding a bitter sweet symphony to the tales. The Veil is an empowering account of how life could offer us all sorts of experiences and how we can still use our creative insight and acceptance of the situation to grow through it and transform them to favor us and create more joy & bliss as we go along.

ThirdWay- 2006 Monthly current affairs magazine from a Christian perspective with a focus on politics, society, economics and culture.

J. Krishnamurti-Pupul Jayakar 2000-10-14 A classic biography of one of the greatest spiritual teachers of our times In 1909, when he was just fourteen, Krishnamurti was proclaimed the world teacher in whom Maitreya, the Bodhisattva of compassion, would manifest. The proclamation was made by Annie Besant, then president of the Theosophical Society, a movement that combined Western occult philosophy with Buddhist and Hindu teachings. Besant trained Krishnamurti in his role as the chosen one but twenty years later he chose to disband the order he was head of and set out alone on his endless journey— As a contemporary of Krishnamurti and one of his closest associates. Pupul Jayakar offers an insider's view of the fascinating life and thought of an extraordinary individual.

Passage West-Rishi Reddi 2020-04-21 A Recommended Book from: Teen Vogue * Bustle * Book Riot * The Millions A sweeping, vibrant first novel following a family of Indian sharecroppers at the onset of World War I, revealing a little-known part of California history 1914: Ram Singh arrives in the Imperial Valley on the Mexican border, reluctantly accepting his friend Karak's offer of work and partnership in a small cantaloupe farm. Ram is unmoored; fleeing violence in Oregon, he desperately longs to return to his wife and newborn son in Punjab—but he is duty bound to make his fortune first. In the Valley, American settlement is still new and the rules are ever shifting. Alongside Karak; Jivan and his wife, Kishen; and Amarjeet, a U.S. soldier, Ram struggles to farm in the unforgiving desert. When he meets an alluring woman who has fought in Mexico's revolution, he strives to stay true to his wife. The Valley is full of settlers hailing from other cities and different continents. The stakes are high and times are desperate—just one bad harvest or stolen crop could destabilize a family. And as anti-immigrant sentiment rises among white residents, the tensions of life in the west finally boil over. In her ambitious debut novel, Rishi Reddi, award-winning author of Karma and Other Stories, explores an enduring question: Who is welcome in America? Richly imagined and beautifully rendered, Passage West offers a moving portrait of one man's search for home.

Sita's Daughters-Leigh Minturn 1993 Sita's Daughters vividly recounts the dramatic changes in role and status experienced by Rajput caste women in the Indian village Khalapur between 1955 and 1975. In the 20 years between her now-classic original field study and her follow-up with the same families, Leigh Minturn witnessed a significant decline in the women's observance of a complex system of customs collectively called purdah, which includes the wearing of veils, silence in the presence of senior men and women, the adoption of subservient postures when speaking to men, and the separation of husbands and wives. Her interviews with mothers- and daughters-in-law reveal how changes in purdah customs and religious traditions have allowed them increased access to education and health facilities, control of finances, and autonomy inside and mobility outside of their husbands' households. This work is unprecedented in its depth, scope, and exposition of the intimate details of the lives of Indian women. Minturn's return to her original subjects allowed her to observe firsthand the changes that had transpired during the interim, resulting in the only Indian village field study to span two generations. Having won the trust and confidence of her subjects, the author poignantly conveys their individuality, along with their stories of heroism, loyalty, infidelity, rape, incest, theft, and even murder. With even-handedness and detailed scholarship, Minturn makes use of methods such as systematic sampling and structured interviewing that are effective in capturing the richness of Indian village life, though they are uncommon in anthropological studies. The wide range of issues addressed here will be of interest to students and researchers in women's studies, South Asian studies, anthropology, and cross-cultural psychology, as well as to interested laypersons.

The Ghost Stories-Ravi Ranjan Goswami 2020-10-10 This book contains four interesting and thrilling ghost stories. These stories are entirely fictional. All ghosts are imaginary and the human characters and incidents are also fictional. So children and adults can equally enjoy these stories. I hope you like this small book.

How to Live Twelve Months a Year-Mahatma Devesh Bhikshu 2020-06-03 Vedic literature contains the Constitution meant for all human beings to follow in life, so that all of us may be able to achieve our desired goals in this world So, please take stock of your position month after month throughout the year, and go on advancing, consulting the book every now and then.
