6. Creating believable character psychology. Character psychology is closely linked to character goals and motivations. Internal and external conflicts, and how your characters handle them, show the reader your character’s psychology. See our best posts on character psychology for a more detailed discussion of creating believable inner worlds.

How to Create a Character for Your Novel: 7 Steps (with
Mar 06, 2021 · Your character doesn’t have to have their name mentioned in your novel. You may be writing a mystery where your main character may just be referred to as, for example, the Man, all the way through the novel. Even if this is the case, to add depth to your character, you should know them inside-out even if the reader will not.

Character Development Questions & Free Printable Worksheets
Apr 07, 2018 · Character Interview Questions can help you develop the basics of who your character might be like. It is very important for you to also spend some time with your characters, and really get to know them intimately, so that when it is time to write about them you will have no problems “staying in character”.
